Principles of Anatomy & Physiology: Amazon.co.uk: Tortora ...

The thirteenth edition of the phenomenally successful Principles of Anatomy and Physiology continues to set the standard for the discipline. The authors maintained a superb balance between structure and function and continue to emphasize the correlations between normal physiology and pathophysiology, normal anatomy and pathology, and homeostasis and homeostatic imbalances.

Principles of anatomy and physiology : Tortora, Gerard J ...

This text is really nice in that it can explain the concepts of anatomy, physiology, and even histology in a brief and clear manner. It is easy to read and correct in its information. I used it in undergrad physiology class and found it quite valuable as a beginner.
