An intense, elegiac portrait of young lovers as they battle personal afflictions, toy with veganarchism, and traverse the American countryside.

Celebrated urban theorist Davis provides a global overview of the diverse religious, ethnic, and political movements competing for the souls of the new urban poor.

In this eye-opening look at our Founding Fathers that is full of fun facts and lively artwork, it seems that Ben Franklin, Thomas Jefferson, and their cohorts sometimes agreed on NOTHING…except the thing that mattered most: creating the finest constitution in world history, for the brand-new United States of America. Tall! Short! A scientist! A dancer! A farmer! A soldier! The founding fathers had no idea they would ever be called the "founding Fathers," and furthermore they could not even agree exactly on what they were founding! Should America declare independence from Britain? "Yes!" shouted some. "No!" shouted others. "Could you repeat the question?" shouted the ones who either hadn't been listening or else were off in France having fun, dancin' the night away. Slave owners, abolitionists, soldiers, doctors, philosophers, bankers, angry letter-writers—the men we now call America's Founding Fathers were a motley bunch of characters who fought a lot and made mistakes and just happened to invent a whole new kind of nation. And now here they are, together again, in an exclusive engagement!

Nominated for the Hugo Award for Best Novel 2018Nominated for the Nebula Award for Best Novel 2018 In this Hugo nominated science fiction thriller by Mur Lafferty, a crew of clones awakens aboard a space ship to find they're being hunted-and any one of them could be the killer. Maria Arena awakens in a cloning vat streaked with drying blood. She has no memory of how she died. This is new; before, when she had awakened as a new clone, her first memory was of how she died. Maria's vat is one of seven, each one holding the clone of a crew member of the starship Dormire, each clone waiting for its previous incarnation to die so it can awaken. And Maria isn't the only one to die recently... Unlock the bold new science fiction thriller that Corey Doctorow calls Mur's "breakout book".

After many months of observing the buying culture among different buyers, I have realized that many customers buy more than one guide on a particular device. In order to discourage this practice and ensure that buyers save some of their money, I have taken much time and patience to write a very comprehensive guide on All-New Kindle Paperwhite (7th Generation).This guide was written to provide every essential information about All-New Kindle Paperwhite (7th Generation). Excessive efforts were made to make sure that every user of this guide gets the best information. Much effort was put into making sure that every instruction in this guide is presented in a very clear and simple way so that every reader of this guide can get maximum benefits from it. Whether you already own All-New Kindle Paperwhite or you are considering getting one, you should find this guide useful.PS: Please make sure you don't give the gift of Kindle Paperwhite (7th Generation) without given this companion guide alongside with it. This guide makes your gift a complete one.

An easy-to-use Kindle Paperwhite E-reader User Manual To help you relax with your favorite books when on the go, the fashionable Kindle Paperwhite e-reader with an improved high-resolution 300ppi display is the best. To enjoy the benefits of this manual, it is, therefore, important to understand its unique features as well as the special guides on how to operate this device. However, with the failure of Amazon to produce a printed manual on the management and utilization of this e-reader, this Kindle Paperwhite user manual provides you with all the vital information on how to get the best out of the electronic device. Among the many tips on how to maximize on the Kindle Paperwhite, acquiring this up-to-date manual provides knowledge on the following areas: The special features of the Kindle Paperwhite E-Reader. That is the Epub format and the PDF format. The different methods of sending your personal content into the Kindle. This also includes the systematic procedures on how to send the content to your Kindle. Special guidelines on how to replace an existing Amazon account. Procedures on how to set up a family library. How to make use of the Kindle Paperwhite Built-In Browser. The Essential Kindle Paperwhite E-Reader's Timesaving Tricks and ALT Shortcuts. The dictionary customization property of the book. Instructions on how to enhance the kindle's battery life. How to take screenshots. Personalizing your Kindle to be unique from others. Getting used to the Kindle Paperwhite is the initial step in enjoying this valuable and inexpensive Amazon product. Purchase, therefore, this easy-to-follow guidebook that includes the steps on how to take screenshots of the pages you need to save the other much-needed information to help you easily navigate through the Kindle Paperwhite and get the best out of it.

Carl Lewis, the inventor of an electronic book, becomes involved in the Machiavellia world of publishing when he attempts to have his girlfriend's firm, Bunker Books, publish it

The sprawl of Adventure. The addictiveness of Breakout. The intensity of Space Invaders. Once upon a time, you could only experience this kind of excitement at the arcade. But in 1977 that changed forever. You, and maybe a friend or a sibling, could instantly teleport from your own living room to a dazzling new world—with nothing more than a small plastic cartridge. This was the promise of the Atari 2600—and it was delivered in ways no one ever expected. No, the games it put on your TV weren't what you saw when you plunked in your quarters at the convenience store or in the noisy, smoky business on the other side of town. But they brought the arcade home—and it hasn't left since. With Adventure: The Atari 2600 at the Dawn of Console Gaming, Jamie Lendino takes you to the front lines of the home gaming revolution, exploring the history of the world-changing console and delves into the coin-op ports and original titles that still influence gaming today. Before your next trip to a magical universe with your Xbox One, PlayStation 4, or Nintendo Switch, see how the home gaming industry truly began.

NEW YORK TIMES BESTSELLER • "It's Lovecraft meets the Brontës in Latin America, and after a slow-burn start Mexican Gothic gets seriously weird."—The Guardian IN DEVELOPMENT AS A HULU ORIGINAL LIMITED SERIES PRODUCED BY KELLY RIPA AND MARK CONSUELOS • WINNER OF THE LOCUS AWARD • NOMINATED FOR THE BRAM STOKER AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • Vanity Fair • NPR • The Washington Post • Tordotcom • Marie Claire • Vox • Mashable • Men's Health • Library Journal • Book Riot • LibraryReads An isolated mansion. A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of Gods of Jade and Shadow comes "a terrifying twist on classic gothic horror" (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She's not sure what she will find—her cousin's husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She's a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she's also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin's new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemi's dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. "It's as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic."—The Washington Post "Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre's most exciting talents."—Nerdist "A period thriller as rich in suspense as it is in lush '50s atmosphere."—Entertainment Weekly
