A teenage girl's guide to being a confident, classy lady of substance in a substanceless world. In a world where women and girls are constantly under attack from the media with photoshopped, airbrushed images and popstars that tell them all they need to do is party all the time, kiss a lot of boys, be a "mean girl" to gain popularity, max their credit cards to buy designer clothes, etc., *The Lost Art of Ladyhood* communicates the counterpoint to those of our teen popstars. Happiness does not come from revealing all your skin, going clubbing every weekend where you get so drunk you don't remember who you kissed, or maxing your credit cards just so you can buy the latest designer jeans. Happiness comes from living a life of character. Teaching girls how to be ladylike has little to do with crossing your ankles and sipping tea correctly; it's about giving them tools and skills they can use to serve others, to be grateful, to think positively, to set powerful goals, to protect themselves from toxic relationships, and to learn to love themselves enough to where they learn to love others. *The Lost Art of Ladyhood* is a road map for navigate your way to confidence, classy-ness, character, and learning the lost art of being a lady. Praise for *The Lost Art of Ladyhood* "[Jessie Funk's] cool enough to be your older sister and wise enough to be your aunt. The principles in this book will help my daughter and yours grow to become true women of character, confidence, and substance." —Josh Shipp, Teen Behavior Expert & Host of Parental Guidance "Jessie Funk is a vital voice for the truth, and provides young girls the structure, framework, and inspiration to understand their true beauty and live in a way that creates true success. A girl who knows who she is, what she is worth, and what she can accomplish in her life is unstoppable. These are the types of women we need for the society of tomorrow, so this is the type of education we need to be providing our daughters today." —Tara Starling, founder of Taking Back Beauty Foundation and award-winning Hollywood makeup artist "A beacon of light and goodness in a world that is increasingly dark and difficult for teen girls. . . . [Jessie Funk] helps girls build confidence and self-esteem, teaches about some of the very real dangers that are lurking in this world, and offers a place of safety to share thoughts and dreams in a no judgment zone. I would wholeheartedly recommend [Jessie's] curriculum for every teen girl." —Michelle Millburn, author and business coach
