In an effort to help eliminate the "Paper Weights" confusion problem, we have compiled the comprehensive table listed below. Now you can compare various types of paper and their "Equivalent Weights." Definitions: Basis Weight The basis weight of a paper is the designated fixed weight of 500 sheets, measured in pounds, in that paper's basic sheet size. It is important to note that the "basic ...

Paper weight comparison and more
12 point bolts and nuts have an alternate head design than standard hex socket cap screws. The twelve point design permits greater torque to be applied to the screw which eliminates rounding out of the hex socket that can occur with fasteners of this type.12 Point flange bolts are mostly used on vehicles frames. They are used wherever hex washer head bolts are used.

In an industry burdened by complex technical issues, confusing practices, and a huge learning curve, Book Design and Production makes it easy. This is a one-stop resource to help authors and publishers find clear explanations of every facet of making a book a reality. Lucid descriptions cover editing, parts of a book, typefaces, design, layout, choosing a designer, selecting a printer, and more. This is the reference that every author/publisher needs.

Distance Learning is for leaders, practitioners, and decision makers in the fields of distance learning, eLearning, telecommunications, and related areas. It is a professional journal with applicable information for those involved with providing instruction to all kinds of learners, of all ages, using telecommunications technologies of all types. Stories are written by practitioners for practitioners with the intent of providing usable information and ideas. Articles are accepted from authors--new and experienced--with interesting and important information about the effective practice of distance teaching and learning. Distance Learning is published quarterly. Each issue includes eight to ten articles and three to four columns, including the highly regarded "And Finally..." column covering recent important issues in the field and written by Distance Learning editor, Michael Simonson. Articles are written by practitioners from various countries and locations, nationally and internationally. Distance Learning is an official publication of the United States Distance Learning Association, and is co-sponsored by the Fischler School of Education at Nova Southeastern University and Information Age Publishing.

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the United States Federal Government.
