'Athletes shouldn't be used as an excuse': Hontiveros reiterates need for probe of SEA Games loan. ABS-CBN News Nov 16 08:07 PM. Senator Risa Hontiveros stressed the need to investigate the "possible irregularities" regarding the construction of the sports facilities used in the 2019 SEA Games.

The popular Saunders Guide to Success in Nursing School is a versatile organizational tool, a practical nursing orientation handbook, a clinical quick reference, and a resource directory all in one. This compact and affordable guide helps busy nursing students manage their time and perform to their fullest potential inside the classroom and during clinical rotations. The Guide not only provides time management and stress-reduction strategies, advise on study skills, and yearly, monthly, and weekly planners, but also comes equipped with a variety of helpful clinical tools like pain and neurological assessment scales, Joint Commission safety guidelines, information on common drug and lab values, and NCLEX preparation tips. An orientation section covers the latest developments in computer-based testing and flipped classroom instruction. A clinical reference section features information on electronic documentation and content on Post-Traumatic Stress Disorder Plus all the must-have information you need to survive nursing school including: NCLEX Exam strategies Time management and study tips Stress reduction techniques Common medication and IV therapy guidelines The Joint Commission's Do Not Use lists High-alert medications Normal vital signs, lab values, measurements, and conversions Updated weekly, monthly, and yearly calendars with prefilled dates from May 2017 through December 2018 help students organize their schedule at school and at home. New content on electronic devices and social media alerts students to the hazards and pitfalls of using phones and engaging in social media while in nursing school and on the job.

The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC) is pleased to announce the availability of Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition or “The Pink Book” E-Book. This resource provides the most current, comprehensive, and credible information on vaccine-preventable diseases, and contains updated content on immunization and vaccine information for public health practitioners, healthcare providers, health educators, pharmacists, nurses, and others involved in administering vaccines. “The Pink Book E-Book” allows you, your staff, and others to have quick access to features such as keyword search and chapter links. Online schedules and sources can also be accessed directly through e-readers with internet access. Current, credible, and comprehensive, “The Pink Book E-Book” contains information on each vaccine-preventable disease and delivers immunization providers with the latest information on: Principles of vaccination General recommendations on immunization Vaccine safety Child/adult immunization schedules International vaccines/Foreign language terms Vaccination data and statistics The E-Book format contains all of the information and updates that are in the print version, including: · New vaccine administration chapter · New recommendations regarding selection of storage units and temperature monitoring tools · New recommendations for vaccine transport · Updated information on available influenza vaccine products · Use of Tdap in pregnancy · Use of Tdap in persons 65 years of age or older · Use of PCV13 and PPSV23 in adults with immunocompromising conditions · New licensure information for varicella-zoster immune globulin Contact bookstore@phf.org for more information. For more news and specials on immunization and vaccines visit the Pink Book’s Facebook fan page

Bloomsbury World Englishes offers a comprehensive and rigorous description of the facts, implications and contentious issues regarding the forms and functions of English in the world. International experts cover a diverse range of varieties and topics, offering a more accurate understanding of English across the globe and the various social contexts in which it plays a significant role. With volumes dedicated to research paradigms, language ideologies and pedagogies, the collection pushes the boundaries of the field to go beyond traditional descriptive paradigms and contribute to moving research agendas forward. Volume 3: Pedagogies addresses the teaching of English as a world language. Chapters in this volume consider the teaching and learning of English(es) from a range of perspectives and on the basis of experiences and research from many parts of the world.

Blackstone's Statutes have an unrivalled tradition of trust and quality, and a rock-solid reputation for accuracy, reliability, and authority. The 2018 edition of International Migration Outlook analyses recent developments in migration movements and policies in OECD countries and some non member countries, and looks at the evolution of the labour market outcomes of immigrants in OECD countries, with a focus on the migrants’ job ...

This open access book presents how Open Science is a powerful tool to boost Higher Education. The book introduces the reader into Open Access, Open Technology, Open Data, Open Research results, Open Licensing, Open Accreditation, Open Certification, Open Policy and, of course, Open Educational Resources. It brings all these key topics from major players in the field; experts that present the current state of the art and the forthcoming steps towards a useful and effective implementation. This book presents radical, transgenic solutions for recurrent and long-standing problems in Higher Education. Every chapter presents a clear view and a related solution to make Higher Education progress and implement tools and strategies to improve the user’s performance and learning experience. This book is part of a trilogy with companion volumes on Radical Solutions & Learning Analytics and Radical Solutions & eLearning.

The Not For Tourists Guide to Los Angeles is the essential urban handbook that thousands of Los Angelenos rely on daily. The map-based, neighborhood-by-neighborhood guidebook divides the city into 57 mapped neighborhoods and pinpoints all of the essential services and entertainment hotspots with NFT's user-friendly icons. Want to drive around the palm tree-peppered concrete jungle like a pro? NFT has you covered. How about sunbathing on a beach? We've got that, too. The nearest Hollywood club, holistic health practitioner, sports outing, or shopping destination—whatever you need—NFT puts it at your fingertips. The guide also includes:

- A foldout highway map covering all of Los Angeles
- Over 150 neighborhood and city maps
- A guide to TV and movie studio locations
- Listings for the best shopping destinations

Everything from supermarkets, cafés, bars, and gas stations, to information on 24-hour services, beaches, public transportation, and city events—NFT will help you find a boutique for an Oscar gown and then show you how to get there.
