2666 Part B Audio Roberto Bolano
The late Chilean writer Roberto Bolaño has been called the García Marquez of his generation. The Savage Detectives is a hilarious and sexy, meandering and melancholy, companionable and complicated road trip through Mexico City, Barcelona, Israel, Liberia, and finally the desert of northern Mexico. It is the first of Bolaño's two giant works, with 2666, to be translated into English and is ...

Fourteen dark tales about the tragic qualities of exile feature protagonists who are struggling with marginal lives and private, often ill-fated, quests, in a collection set in the Chilean exile diaspora of Latin America and Europe. Reprint.

In a deathbed confession, Father Urrutia, a Jesual priest and conservative literary critic, shares his memories of his work with agents of Opus Dei and his secret job of instructing Pinochet about Marxism to the Chilean junta generals can understand their enemy. Original.

At the center of this hugely comic tale of "free enterprise" America stands JR—an eleven-year-old capitalist, eagerly following the example of the grasping world around him. Operating through pay phones and post-office money orders, JR inadvertently parlays a shipment of Navy surplus picnic forks, a defaulted bond issue, and a single share of common stock into a vast paper empire embracing timber, mineral and natural gas rights, publishing, and a brewery. At once a novel of epic comedy and a biting satire of the American dream, JR displays the style and extraordinary inventiveness that has made Gaddis one of the most acclaimed writers of our time.

In the latest thriller featuring the legendary Boston PI, Spenser and his young protégé Mattie Sullivan take on billionaire money manager running a network of underaged girls for his rich and powerful clients. Ten years ago, Spenser helped a teenage girl named Mattie Sullivan find her mother's killer and take down an infamous Southie crime boss. Now Mattie—a college student with a side job working for the tough but tender private eye—dreams of being an investigator herself. Her first big case involves a fifteen-year-old girl assaulted by a much older man at one of Boston's most prestigious private clubs. The girl, Chloe Turner, only wants the safe return of her laptop and backpack. But like her mentor and boss, Mattie has a knack for asking the right questions of the wrong people. Soon Spenser and Mattie find ties between the exploitation of dozens of other girls from working class families to an eccentric billionaire and his sadistic henchwoman with a mansion on Commonwealth Avenue. The mystery man's wealth, power and connections extend well beyond Massachusetts - maybe even beyond the United States. Spenser

and trusted ally Hawk must again watch out for Mattie as she unravels a massive sex-trafficking ring that will take them from Boston to Boca Raton to the Bahamas, crossing paths with local toughs, a highly-trained security company, and an old enemy of Spenser's--the Gray Man--for a final epic showdown.

With an afterword by Natasha Wimmer. Winner of the Herralde Prize and the Rómulo Gallegos Prize. Natasha Wimmer’s translation of The Savage Detectives was chosen as one of the ten best books of 2007 by the Washington Post and the New York Times. New Year’s Eve 1975, Mexico City. Two hunted men leave town in a hurry, on the desert-bound trail of a vanished poet. Spanning two decades and crossing continents, theirs is a remarkable quest through a darkening universe – our own. It is a journey told and shared by a generation of lovers, rebels and readers, whose testimonies are woven together into one of the most dazzling Latin American novels of the twentieth century.

Winner of: The Pulitzer Prize The National Book Critics Circle Award The Anisfield-Wolf Book Award The Jon Sargent, Sr. First Novel Prize A Time Magazine #1 Fiction Book of the Year One of the best books of 2007 according to: The New York Times, San Francisco Chronicle, New York Magazine, Entertainment Weekly, The Boston Globe, Los Angeles Times, The Washington Post, People, The Village Voice, Time Out New York, Salon, Baltimore City Paper, The Christian Science Monitor, Booklist, Library Journal, Publishers Weekly, New York Public Library, and many more... Nominated as one of America’s best-loved novels by PBS’s The Great American Read Oscar is a sweet but disastrously overweight ghetto nerd who—from the New Jersey home he shares with his old world mother and rebellious sister—dreams of becoming the Dominican J.R.R. Tolkien and, most of all, finding love. But Oscar may never get what he wants. Blame the fuku—a curse that has haunted Oscar’s family for generations, following them on their epic journey from Santo Domingo to the USA. Encapsulating Dominican-American history, The Brief Wondrous Life of Oscar Wao opens our eyes to an astonishing vision of the contemporary American experience and explores the endless human capacity to persevere—and risk it all—in the name of love.

uzie King Taylor made a remarkable journey from slavery to freedom through service with the first black Civil War regiment to fight for freedom in America's history. Written toward the end of her life, her memories are not those of a battle veteran, though she helped care for plenty of shattered bodies, heard the guns, and saw rebel soldiers at close range. At risk to her life and freedom, she served throughout the war as a teenaged nurse. Assigned as a laundress, she actually did very little laundering but instead played an important role in the care and spirits of black soldiers and their white commanders. Her depth of feeling about the past and her passionate hopes for the future bring her writing to life. This is an important contribution to American history that is made available in this volume for the first time for e-readers. Susie King Taylor (1848-1912) was an African American army nurse with the first black Union troops during the Civil War. She wrote the only memoir of an African-American woman who had experience with combat troops. She was also the first African American to teach in a school for former slaves in Georgia. There is great beauty in some of the small details of Suzie King's recollections. She briefly ponders in amazement her ability to acclimate to the horrors of war. "It seems strange how our aversion to seeing suffering is overcome in war, how we are able to see the most sickening sights, such as men with their limbs blown off and mangled by the deadly shells, without a shudder; and instead of turning away, how we hurry to assist in alleviating their pain, bind up their wounds, and press the cool water to their parched lips, with feelings only of sympathy and pity." She also writes of her delight in becoming proficient at field-stripping, cleaning, and shooting a musket. Her final chapter is an eloquent plea for civil rights and a recognition that emancipation's promise was still a distant goal. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Here's a sweet treat for collectors of colorful M&M's characters, starring regular and peanut. This is a serious collector's guide to those smiling candies with a tough exterior and a gooey heart. Author Patsy Clevenger, who describes the smiles of the M&M characters as "absolutely infectious," first provides readers with a concise review of the candy's history, including a timeline of M&M colors featured from 1940 through the 1990s. This comprehensive and enjoyable guide then leads the reader on a tasty tour of M&M collectibles, complete with values for the hundreds of items shown, which range from kitchen towels to tins, toppers, posters, and jewelry. Additional sections on advertising items and M&M packaging round out the book.

NEW YORK TIMES BESTSELLER From the #1 New York Times bestselling coauthor of Tiger Woods comes the definitive inside story of the New England Patriots—the greatest sports dynasty of the 21st century. It’s easy to forget that the New England Patriots were once the laughingstock of the NFL, a nearly bankrupt team that had never won a championship and was on the brink of moving to St. Louis. Everything changed in 1994, when Robert Kraft acquired the franchise and soon brought on board head coach Bill Belichick and quarterback Tom Brady. Since then, the Patriots have become a juggernaut, making ten trips to the Super Bowl, winning six of them, and emerging as one of the most valuable sports franchises in the world. How was the Patriots dynasty built? And how did it last for two decades? In The Dynasty, acclaimed journalist Jeff Benedict provides richly reported answers in a sweeping account based on exclusive interviews with more than two hundred insiders—including team executives, coaches, players, players’ wives, team doctors, lawyers, and more—as well as never-before-seen recordings, documents, and electronic communications. Through his exhaustive research, Benedict uncovers surprising new details about the inner workings of a team notorious for its secrecy. He puts us in the room as Robert Kraft outmaneuvers a legion of lawyers and investors to buy the team. We listen in on the phone call when the greatest trade ever made—Bill Belichick for a first-round draft choice—is negotiated. And we look over the shoulder of forty-year-old Tom Brady as a surgeon operates on his throwing hand on the eve of the AFC Championship Game in 2018. But the portrait that emerges in The Dynasty is more rewarding than new details alone. By tracing the team’s epic run through the perspectives of Kraft, Belichick, and Brady—each of whom was interviewed for the book—the author provides a wealth of new insight into the complex human beings most responsible for the Patriots’ success. The result is an intimate portrait that captures the human drama of the dynasty’s three key characters while also revealing the secrets behind their success. “The Dynasty is...[a] masterpiece...It’s a relationship book, it’s a football book, it’s a business book...you’ll just eat up these stories” (Colin Cowherd).
