Nominated for the Man Booker Prize "A charming comedy of eros... A ride that, despite the bumps and curves in the road, never feels anything less than jaunty." — Los Angeles Times With this wise, tender, and deeply funny novel, Marina Lewycka takes her place alongside Zadie Smith and Monica Ali as a writer who can

capture the unchanging verities of family. When an elderly and newly widowed Ukrainian immigrant announces his intention to remarry, his daughters must set aside their longtime feud to thwart him. For their father ' s intended is a voluptuous old-country gold digger with a proclivity for green satin underwear and an

"Mr. Dahlstrom...has written a superb history of the tractor and this long-forgotten period of

capitalism in U.S.
agriculture. We now
know the whole story of
when farming, business
and the free-market
economy diverged,
divided and conquered."

—Wall Street Journal

Discover the untold story
of the “ tractor wars, ”
the twenty-year period
that introduced power
farming—the most
fundamental change in

Get Free 8n Ford Tractor

world agriculture in
hundreds of years. Before
John Deere, Ford, and
International Harvester

became icons of
American business, they
were competitors in a
forgotten battle for the
farm. From 1908-1928,
against the backdrop of a
world war and economic
depression, these brands
were engaged in a race to
introduce the tractor and

Get Free 8n Ford Tractor

revolutionize farming. By the turn of the twentieth century, four million people had left rural America and moved to cities, leaving the nation ' s farms shorthanded for the work of plowing, planting, cultivating, harvesting, and threshing. That ' s why the introduction of the tractor is an innovation story as

Get Free 8n Ford Tractor

essential as man's
landing on the moon or
the advent of the
internet—after all, with
the tractor, a shrinking
farm population could
still feed a growing world.
But getting the tractor
from the boardroom to
the drafting table, then
from factory and the
farm, was a technological
and competitive battle
that until now, has never

Get Free 8n Ford Tractor

been fully told. A researcher, historian, and writer, Neil Dahlstrom has spent decades in the corporate archives at John Deere. In *Tractor Wars*, Dahlstrom offers an insider's view of a story that entwines a myriad of brands and characters, stakes and plots: the Reverend Daniel Hartsough, a pastor turned tractor

Get Free 8n Ford Tractor

designer; Alexander Legge, the eventual president of International Harvester, a former cowboy who took on Henry Ford; William Butterworth and the oft-at-odds leadership team at John Deere that partnered with the enigmatic Ford but planned for his ultimate failure. With all the bitterness and drama of

Get Free 8n Ford Tractor

the race between Ford,
Dodge, and General
Motors, *Tractor Wars* is
the untold story of
industry stalwarts and
disruptors, inventors,
and administrators racing
to invent modern
agriculture—a power
farming revolution that
would usher in a whole
new world.
