Reviewed in the United Kingdom on 27 August 2006. This 4th Edition of David A. Cook's History of Narrative Film was redesigned to make it more compelling as a general read, heavily reducing the unattractive 'text book' nature of the earlier editions. Before the main body of the book begins there are two prefaces (one the original preface and the other a new preface to this edition) as well as a list of acknowledgements, notes on methodology, dates, titles and stills used in the book.

John Smith's - History of Narrative Film, A Fifth Edition

It allowed me to place many of my favorite films into a broader, more structured context and to see their relation to film history much more clearly. I would actually have appreciated it if the book were not limited to narrative film, since many of the earliest films were not narratives and the interplay between avant-garde and mainstream film would be covered in much more detail if non ...
