Givenness and Revelation is Jean-Luc Marion's entry in the famous lecture series established in 1885 by Lord Gifford, translated for delivery in English by Stephen E. Lewis. Much of Marion's 2014 Gifford Lectures are concerned with themes previously established in his works: a phenomenology of givenness, the notion of the saturated phenomenon, the inadmissibility of a theology based on metaphysics, charity as a fundamental condition for perception, and the exploration of Christian ...
