What began as a small mining camp during the Colorado Silver Boom of the late nineteenth century has since become the preferred getaway of the world’s elite. Treasured for what’s above ground rather than below, Aspen, Colorado has a storied history almost as dense as the directory of A-listers who have adopted the jewel of Pitkin County as their second home, or who have settled in its slopes indefinitely. With an introduction from longtime resident Aerin Lauder, Aspen celebrates and pays homage to the stark glamour, the working-class history, and the romance of the virtually untouched landscape that gives the town the unique charisma that continues to draw new devotees with each season. Exploring the rustic-chic atmosphere of the Hotel Jerome, the architectural excellence of Herbert Bayer’s restored Wheeler Opera House, and local culture found at Schlomo’s Deli & Grill, to name a few, this deluxe volume is brought to life with stunning current and historical imagery capturing the prodigious evolution of this mountain town over the last century.

Evidence is the most complete reference on evidence law available, written at a level that makes it an accessible, indispensable resource for students. The text emphasizes contemporary judicial interpretations of the Federal Rules of Evidence, making the law relevant to students. Organization around the Federal Rules of Evidence makes the text particularly understandable, with common-law coverage given where an issue is not codified. Throughout the text, Evidence features straightforward explication of the rules, analysis of leading case law, and thorough coverage of both the Federal Rules and state evidence codes. Pedagogical features include helpful marginal headings, mini-summaries of contents at the beginning of each chapter, generous footnotes, and useful case citations. The authors strong reputations as casebook authors and authors of Aspen’s practitioner Evidence treatise continue to attract users to this book.

C ’ est l ’ histoire d ’ une petite danseuse fran ç aise devenue une chanteuse am é ricaine à la fin des sixties. L ’ Am é rique se passionne pour cette affaire de mœurs qui poss è de tous les ingr é dients du plus sulfureux des polars chez les riches et c é l è bres et qui conn a î tra un d é nouement inattendu.

To protect those most vulnerable, Haven Haviland must trust her heart--and her regrets--to a mysterious newcomer in this moving contemporary romance. Few in the community of Whisper Canyon have actually met Jace Daring, a handsome recluse who lives at Aspen Crossroads, the farm at the edge of town. But that doesn't stop the rumors about the multiple women who live with him. He must protect the truth--that his farm-to-table restaurant will provide new livelihoods for women rescued from human trafficking--or he risks the safety and futures of those relying on him. But he can't do it alone. Haven Haviland has always been everyone's safe place to fall until one mistake closes her counseling practice and leaves her open to the town's gossip. Trusting men has gotten her in trouble before. However, accepting Jace's job offer to mentor the rescued women seems like the perfect way to right her wrongs. When the mayor's campaign to clean up Whisper Canyon targets Aspen Crossroads, the restaurant comes under fire, dangers from the women's pasts are awakened, and Haven's sins are exposed for all to see. Jace would sacrifice himself to save Haven and the women under his care, but his efforts might not be enough. And in the end, it might not be the women most in need of saving after all.

How is it possible for a town to exist where the median household income is about \$73,000, but the median home price is about \$4,000,000? Boring into the "impossible" math of Aspen, Colorado, Stuber explores how middle-class people have found a way to live in this supergentrified town. Interviewing a range of residents, policymakers, and officials, Stuber shows that what resolves the math equation between incomes and home values in Aspen, Colorado--the X-factor that makes middle-class life possible--is the careful orchestration of diverse class interests within local politics and the community. She explores how this is achieved through a highly regulatory and extractive land use code that provides symbolic and material value to highly affluent investors and part-year residents, as well as less-affluent locals, many of whom benefit from an array of subsidies--including an extensive affordable housing program--that redistribute economic resources in ways that make it possible for middle-class residents to live there. Stuber further examines how Latinos, who provide much of the service work in Aspen and who tend to live outside the town, fit into the social geography of one of the most unequal places in the country. Overall, Stuber argues that the Aspen's ability to balance the interests of its diverse class constituencies is not a foregone conclusion; rather, it is the result of efforts by local stakeholders--citizens, government, developers, and vacationers--to preserve the town's unique feel and value, and "keep Aspen, Aspen" in all its complex dynamics.

Until 1879, the Roaring Fork Valley was home to a band of Colorado Ute Indians. All of that changed in the summer and fall of that year, when two prospecting teams came to the valley to stake their claims, some of which went on to produce millions of dollars of silver. Within five years, Aspen was home to over 20,000 individuals including miners, lawyers, families, businessmen, and even prostitutes. Aspen's fortune was tied to silver. More importantly, its fate was ultimately tied to the Sherman Silver Purchase Act of 1890, which required the US government to buy 4.5 million ounces of silver per month. From 1890 to 1893, the Sherman Act kept Aspen alive and growing. With the repeal of the act, Aspen began a slow, painful decline. This book covers the years of Aspen's discovery, through the years of decline, and into what is known as the "Quiet Years."

This overview of property law addresses both classic and contemporary topics covered in the first-year property course in a clear, accessible format. The book offers clear explanations of property law through textual treatment, with numerous examples, analytical discussion of key cases, and issues followed by hypotheticals. Emphasis is placed on disagreements among states about the applicable rules of property law, with explanations of the conflicting issues. Key Features: New section on the subprime mortgage crisis provides a contemporary look at property law (includes a discussion of the Massachusetts SJC case Commonwealth v. Fremont) Material on the Harry Potter copyright case (Warner Bros. Entertainment, Inc. & J.K. Rowling v. RDR Books) Recent

Oregon land-use ballot initiatives regarding property owners' rights (Measures 37 and 49) and their impact A new case on ownership issues surrounding Civil War-era papers once belonging to the governors of South Carolina (Wilcox v. Stroup)

Private investigator Jake Wheeler searches for runaway cheerleader Tinker Mellon and uncovers a complex crime ring hidden in the Aspen mine shafts.

Alors qu'Ivy est au plus mal parce que son fiancé n'est plus sûr de vouloir l'épouser, elle se retrouve en vacances forcées à Aspen. Mais elle va vite découvrir qu'apprendre à skier contre son gré peut devenir très (très) divertissant... Et que sa vie peut être tout autre...*****J'aimais le regarder, détailler son visage, me plonger dans ses yeux. Et là, ils étaient chargés de désir. Je m'avançai alors lentement vers lui pour frôler sa bouche de la mienne. Il ne bougea pas d'un millimètre, me laissant les commandes, un sourire satisfait aux lèvres. Pour une fois, j'oubliai de penser et l'embrassai de nouveau, d'une façon qui n'était pas du tout moi. Collée à lui, je laissai ma langue se mêler à la sienne, le découvrir, en demander plus. Il inspira brutalement et notre échange s'intensifia. Plus je déversais toutes mes incertitudes et ma colère contre Andy, plus je sentais le désir monter en moi. Je perdais complètement pied. Je me cramponnai à lui pour intensifier ce moment, mais il m'éloigna de lui difficilement et chercha dans mon regard une explication à mon assaut. -- Tu as dit que j'avais le droit de recommencer devant ma soeur si je finissais ma piste, dis-je alors que je me pensais incapable de provoquer un homme.Je fis une petite moue timide qui le fit rire, puis il m'embrassa de nouveau, mais furtivement. Lorsqu'il leva brièvement les yeux derrière moi et qu'il lâcha un rire, je compris que ma soeur nous avait vus. -- Je vais en entendre parler pendant des heures, me lamentai-je. -- Et si tu lui donnais de quoi réellement s'énerver ? souffla-t-il. Je le scrutai un instant pour être certaine de bien saisir ce qu'il me disait, mais je fermai les yeux pour me cacher de son regard incandescent. Il réduisait à néant tout mon discernement. Mon coeur battait la chamade, mon sang était en fusion, mon corps tout entier se désagrégait. Il m'attirait, m'aimantait, mon corps ne savait pas quoi faire d'autre que lui répandre. Mon souffle s'accéléra et je sentis ses mains se resserrer autour de mon visage. Je me mordillai la lèvre pour empêcher mes pensées de dériver dangereusement et pour tenter de réfléchir avec cohérence. Je crevais d'envie que ses mains me parcourent, de sentir sa bouche sur ma peau, de l'avoir contre moi. Je voulais revivre ce que j'avais ressenti dans le hammam. -- Ivy, chuchota-t-il. Juste une nuit.

Aspen Falls lives a life of contentment--blessed with a wonderful family and a loyal best friend--until a stranger enters her life. Will Aspen Falls ever reclaim the comfortable contentment she once knew? Or will the handsome stranger linger in her mind?
