How to Tell Time: 15 Steps (with Pictures) - wikiHow

Being able to tell the time is an essential skill - it's something that we do every day. Telling the time is a key topic in the National Curriculum for maths and practising at home can really help your child. Here are some telling the time tips: Make it a habit - start by pointing out the time at different moments in the day. When your child wakes up, look at the clock together and prompt them with 'it's 7 o'clock - does that mean it's time to get up?'

Telling the Time - Maths - Learning to Tell the Time for ...

Telling time may only take a glance at a watch for adults, but it can be a difficult tool for young children to master, especially as they're still learning their numbers and developing number sense. Learning to read a clock requires a combination of memorizing the clock face (including all its elements) and building the math skills to translate a hand position into a number.
