Team Building Activities to Spread Fun and Positivity at Work

Physical inactivity is an important contributor to non-communicable diseases in countries of high income, and increasingly so in those of low and middle income. Understanding why people are physically active or inactive contributes to evidence-based planning of public health interventions, because effective programmes will target factors known to cause inactivity.

A study of the Epistle of St. Paul to the Philippian Church, in Philippi. A prison letter, it contains a Christological hymn about Christ's humility and exaltation, a glimpse into Paul's passion to know Christ, and a reflection on prayer and the peace it brings in the midst of stress, conflict, and opponents. Part of the JesusWalk Bible Study Series.

Teaching plan: 12-week course Introduction This resource is a suggested teaching plan for a 12-week ELC Step Up to English course (5970). The course can be taught at any point during the academic year. It can be repeated for students who move on from Silver Step to Gold Step or from Entry 1 to Entry 2 within Silver Step.

Teaching plan: 12-week course

How can I support children to master partitioning numbers in year one? This Year 1 Diving into Mastery resource helps children with their understanding of partitioning two-digit numbers into tens and ones. It uses part-whole models and place value charts, alongside practical apparatus. These cards support the White Rose step, 'Partitioning Numbers'.

Year 1 Diving into Mastery Partitioning Numbers Activity Cards

5. Associative Play: This stage of play involves a group of children participating in a mutual activity, such as playing with clay or painting, though they are not working toward a common goal. This stage invites social interaction as children find the need to share tools for their activities. 6.
