Advanced Management Accounting: Amazon.co.uk: Robert ...

Traditional costing techniques based around annual periods may give a misleading impression of the costs and profitability of a product. This is because systems are based on the financial accounting year, and dissect the product's lifecycle into a series of annual sections. Usually, therefore, the management accounting systems would assess a product's profitability on a periodic basis, rather than ...

Chapter 1: Traditional and advanced costing methods

management accounting techniques that are used in carrying out management accounting tasks, such as activity-based costing, balanced scorecard frameworks, volume-based allocation of costs, strategy maps, zero-based budgeting, and forecasting (Granlund and Malmi, 2002; Seal et al., 2014; Armitage et al., 2016).
