The aim of this book is to present the basic concepts of mechanics of materials to beginners in a simplified and an organized way. Some knowledge of general mechanics is assumed as a prerequisite. More advanced topics are not covered in this presentation to avoid unnecessary confusion. The advantages and disadvantages of two common building materials, namely, reinforced concrete and steel, are listed in order to make comparison between the two materials and to make the reader able to select proper material of construction for a particular project. The basics of the design procedure are also explained in order to introduce the concept to the beginners. Basic tests performed on structural steel are also discussed in brief. Both SI and US Customary units are used throughout the book to make it a general reference. It is hoped that this book will also serve as a quick guide for the experienced engineers. Suggestions for further improvement of the presentation will be highly appreciated and will be incorporated in the future editions.

Being an adult has its advantages... Lucas Abbott and his identical twin grew up sharing everything—including a reputation for funny, idiotic behavior. But now that Lucas is ready to shed that lovable-idiot image, grow up and have a real, adult relationship, the joke’s on him. He and his twin have fallen for the same woman. Crushed and hoping a few days on the slopes will work out his frustrations, he heads for Stowe, Vermont. All thought of fun and relaxation flies away as a car spins out in a snowstorm, and his firefighter/paramedic training kicks into high gear. Danielle Rowson is hoping to pick up the pieces and build a new life for herself and her daughter in Vermont. Winding up in a ditch in the middle of a blizzard isn’t part of the plan—and neither is the kind, sexy rescuer whose strong hands pull them to safety. Lucas has been a little kid, a big kid and now an adult—and he discovers that adulthood has more than one advantage. Especially when it comes to sharing with Dani and Savannah the one thing that’s his and his alone: his love. Commemorating the Justice League of America’s 45th anniversary, The Justice League Companion is a comprehensive examination of the Silver Age JLA. Written by Michael Eury (author of the critically acclaimed Captain Action and co-author of The Superhero Book), The Justice League Companion traces the JLA’s development, history, imitators, and early fandom through vintage and all-new interviews with the series’ creators, an issue-by-issue index of the JLA’s 1960-1972 adventures, classic and never-before-published artwork, and other fun and fascinating features!

In a stock market environment dominated by professional investors, A Few Good Eggs in One Basket o?ers a plain-talk approach to pro?tability by selecting and managing an investment portfolio of common stocks for an individual. Author Richard L. Gunderson, who has been an investor for more than forty years, outlines an enduring framework that improves the odds for the individual investor to exceed the performance of the market over the long term by buying good companies at bargain prices. He outlines what constitutes a good company and how to determine when a price meets the test of being a bargain. A Few Good Eggs in One Basket also helps individual investors by discussing what to look for; where to look; when to buy; when to sell; and how many stocks to own. A Few Good Eggs in One Basket presents a prescription designed to take advantage of opportunities created by market overreaction to bad news and disappointing results. Gunderson believes there are always bargains at any time and in any market. The challenge is to consistently apply a disciplined approach to identifying the unusual and favorable opportunities and concentrating a portfolio on those stocks representing the best combination of overall quality and intrinsic value.

Learn a broad range of techniques for dry flies, streamers, and wet flies by tying the modern flies that everyone is talking about. Author Tim Cammisá teaches you how to tie these simple but effective patterns and then how to take the techniques you’ve learned and use them for most of the other core patterns—old and new—that should be in your box. Includes information on the latest materials, tying tips from other tiers, and 16 patterns with recipes and complete step-by-step instructions.

Protecting the innocent comes at a cost, and what seems to be a sleepy, quiet town is anything but. "A compelling story that touches on powerful social issues" Bookbub Reviewer NY Times & USA Today bestselling author Lorhainne Eckhart brings you the first book in a new crossover series! The social worker and the cop, an unlikely couple drawn together on a small, secluded Pacific Northwest island where nothing is as it seems. Billy-Jo McCabe never expected to become a social worker, considering the broken system nearly destroyed her. Shortly after she takes a job on a remote Pacific Northwest island, she gets a call about a missing girl. Meanwhile Roche Harbor detective Mark Friessen is called in to investigate the disappearance, but instead of working with the newly appointed social worker, he ends up butting heads and clashing with her every step of the way. Billy-Jo becomes the rival he does his best to avoid, considering the only conversations they have involve her pointing out his shortcomings and arrogance. But when Billy-Jo finds herself in over her head, she’s forced to team up with the man who has the uncanny ability to bring out the worst in her and together, they come up against close-mouthed locals, island secrets that hit too close to home, and the realization that their case about finding and helping a young girl has turned into something far more sinister.

Detective Inspector C. D. Sloan puzzles over an industrialist crushed under the rubble of a church tower in this crime novel by a CWA Diamond Dagger winner. On the hottest day in living memory, Richard Mallory Tindall, the owner of a patent firm, does not return home to Cleete village. When a man is found crushed to death, Tindall’s case goes from missing person to homicide. In the course of solving murder cases, Detective Inspector C. D. Sloan has seen all manner of ugly death. But there’s something particularly gruesome about this one, the body crushed beneath the marble and iron of an old Saxon church tower. With rubble blocking off access to the crime scene, no one can get close enough to inspect the body. What little evidence is available—a burned match, a black thread, an earring—doesn’t bode well for a quick and easy solution. Even the legendarily cool-headed great detective might begin to crack when a second body turns up. And then an important file goes missing from Sloan’s office. How does it all connect?

She thinks love can kill you. It turns out she might be right. The dark and sexy new thriller from the bestselling author of The Sunday Girl and The Strangers We Know. Harper Brown is an expert at picking locks, breaking her way out of car boots, talking her way out of trouble and she could run a masterclass on escaping relationships - her record for losing a guy is three minutes flat. She’s addicted to true crime podcasts and is the genius behind a micro-column called ‘How to not get murdered’. After having her heart broken helping her ex follow his dreams, Harper has moved to Paris to fulfill hers. She’s talked her way into a job as an arts journalist, a stepping stone to her dream role as an investigative journalist. All she has to do is whatever it takes to get there. But then one night she meets the artist Noah X, and everything she thinks she knows is turned

upside down. Soon Harper finds herself entangled in a web of lies, hot on the trail of a murderer and the scoop of a lifetime. This is the story that could make her career - if the killer doesn't catch her first. 'Gripping, suspenseful and seriously addictive, The Paris Affair is a fast-paced and heart-stopping thriller, and yet another tantalising page-turner from the wonderful Pip Drysdale.' The Courier Mail 'Pip Drysdale has created a triumphant psychological thriller that had my heart racing and adrenaline pumping.' Kelli, GoodReads
