Qhapaq nan (or Great Inca Road), an extensive network of trails reaching modern-day Colombia, Ecuador, Peru, Bolivia, Chile, and Argentina. These roads and the accompanying agricultural terraces and structures that have survived for more than six centuries are a testament to the advanced engineering and construction skills of the Inca people. The Qhapaq nan also spurred an important process of ecological and community integration across the Andean region. This book, the companion volume to a National Museum of the American Indian exhibition of the same name, features

essays on six main themes: the ancestors of the Inca, Cusco as the center of the empire, road engineering, road transportation and integration, the road in the Colonial era, and the road today. Beautifully designed and featuring more than 225 full-color illustrations, The Great Inka Road is a fascinating look at this enduring symbol of the Andean peoples' strength and adaptability.

In every atlas there is a country missing from the maps of South America: the Andean nation. For five months John Harrison journeys through this secret

country, walking alone into remote villages where he is the first gringo the inhabitants have ever seen, and where life continues as if Columbus had never sailed. -- Welsh Books Council

Twenty years before Columbus "discovered America," a lone Spaniard engineer traveled with an early expedition to South America. Shipwrecked, he is rescued by an Indian tribe on the Isthmus of Panama. Assisting in a military raid on a rival tribe, the Spaniard, Ethan and an Indian girl, Attu,

Join An native whaling voyage into the Pacific Ocean. An ensuing disaster casts them ashore in what today is the country of Peru. But, in 1474, this vast mountain terrain was part of the domain of Capac, the Inca king. Ethan's engineering talents guarantee his safety among the men working on the Inca Road, a two thousand mile long highway along the crests of the Andes Mountains. Ethan and Attu are astounded by the wonders of Cuzco, the capital city of the Inca Empire, but end up barely escaping with their lives. One adventure follows another as the two of them paddle their way
