and complete the accrual process as per the requirement.

Vendor Accrual Automation | Oracle EBS | Accrual Automated ...

You could try OATS but it's very difficult to use even though it's an Oracle product and automated tests are notoriously expensive to maintain because they often need a lot of re-work. It depends if you're looking for an on-prem or cloud-based solution. This Oracle test automation tool I've seen working well with even EBS 12.1.3.
