I couldn't help but feel this was an epic on the scale of "Apollo's Song", though "Ayako" follows a very different story arch (one of family and not of self). Sakuemon Tenge, in his most feverish moments, reminded me of none other than King Lear; a despot and a fool despite his title among the country's men.

The Ayako’s slender design, married with its smooth aluminum scales, takes pocketability to the next level. Add in the swagger with which the knife carries itself and the Ayako is quickly set apart as an EDC hero. Taking notes from modern Japanese design and heritage friction folders, the product crosses centuries of design and packs a punch.

The Ayako is a swivel shear designed to enhance mobility, allowing the stylist to cut at angles that other shears only dream of. The single swivel relieves stress in the shoulder, elbow and wrist, while the double swivel goes a step further, giving the thumb complete movement.

Long considered as one of Osamu Tezuka’s most political narratives, Ayako is also considered to be one of his most challenging as it defies the conventions of his manga by utilizing a completely original cast and relying solely on historical drama to drive the plot. Ayako, pulls no punches, and does not allow for gimmicks as science-fiction or fantasy may. Instead Tezuka weaves together a tale which its core simply focuses on a single family, a family that could be considered a metaphor for a rapidly developing superpower. Overflowing with imagery of the cold war seen through Japan’s eyes, Ayako is firmly set in realism taking inspiration from a number of historical events that occurred over the American occupation and the cultural-revolution which soon followed. Believed to be Tezuka’s answer to the gekiga (dramatic comics) movement of the 60’s, Ayako should be considered one of the better early examples of a seinen (young adult) narrative to be published. Initially set in the aftermath of World War II, Ayako focuses its attention on the Tenge clan, a once powerful family of landowners living in a rural community in northern Japan. From the moment readers are introduced to the extended family, it is apparent that the war and American occupation have begun to erode the fabric that binds them all together. The increasing influence of political, economic and social change begins to tear into the many Tenge siblings, while a strange marriage agreement creates resentment between the eldest son and his sire. And when the family seems to have completely fallen apart, they decide to turn their collective rage on what they believe to be the source of their troubles—the newest member of the Tenge family, the youngest sister Ayako.

Long considered as one of Osamu Tezuka’s most political narratives, Ayako is also considered to be one of his most challenging as it defies the conventions of his manga by utilizing a completely original cast and relying solely on historical drama to drive the plot. Ayako, pulls no punches, and does not allow for gimmicks as science-fiction or fantasy may. Instead Tezuka weaves together a tale which its core simply focuses on a single family, a family that could be considered a metaphor for a rapidly developing superpower. Overflowing with imagery of the cold war seen through Japan’s eyes, Ayako is firmly set in realism taking inspiration from a number of historical events that occurred over the American occupation and the cultural-revolution which soon followed. And when the family seems to have completely fallen apart, they decide to turn their collective rage on what they believe to be the source of their troubles—the newest member of the Tenge family, the youngest sister Ayako.

Osamu Tezuka, godfather of manga, here defies the conventions of his manga by utilising a completely original cast and relying solely on historical drama to drive the plot. Ayako pulls no punches and does not allow for gimmicks as science-fiction or fantasy may. Instead, Tezuka weaves together a tale which at its core simply focuses on a single family, a family that could be considered a metaphor for a rapidly developing superpower. Overflowing with imagery of the cold war seen through Japan's eyes, this monumental tale is regarded as Tezuka's most political work.

Beautiful on the Inside is a look into the person God created each of us to be. This is a look at inner beauty' . . . the REAL PERSON! Too often we associate beauty with looks', and end up with a very superficial view of beauty . . . which can be devastating to the person who is not naturally endowed'. God made every person beautiful . . . in His own Image and Likeness! This book was written to shed light on the SOUL . . . the true source of beauty! Everybody can build and create a beautiful SOUL. Those who have developed a beautiful soul will soon find that the soul is capable of projecting beauty outwardly . . . even to the beautifying of the BODY! The body REFLECTS THE SOUL! We seldom make the important connection' between body and soul. How important to see' the beautiful person God created each of us to be! We will be no more than we can envision' in our mind! Too many people have a low self-esteem, and will never rise above or beyond their own self-image. If we do not see' it will never be' it! It is never too late to build a beautiful life! This is a work' we must commit to. Let us begin the journey of BECOMING . . . becoming ALL God created us to be! Let us create, with our one life, a MASTERPIECE God can be proud of . . . a masterpiece WE can be proud of.

Ranging from Japanese silent films and women's films to French, Hong Kong, and Nordic New Waves, this book explores the influence of noir on international cinematic traditions and challenges prevailing film scholarship. It includes extensive bibliography and filmographies for recommended reading and viewing.

Examines the clothes that Japanese men and women in Hawaii wore, and how the changes reveal the shift in identity from foreigner to Japanese American over two generations. Draws on interviews, preserved pieces of clothing, literature, and photographs from family collections, many of which are reproduced. Annotation copyright by Book News, Inc., Portland, OR

Reclaiming the Archive: Feminism and Film History brings together a diverse group of international feminist scholars to examine the intersections of feminism, history, and feminist theory in film. Editor Vicki Callahan has assembled essays that reflect a range of methodological approaches—including archival work, visual culture, reception studies, biography, ethno-historical studies, historiography, and textual analysis—by a diverse group of film and media studies scholars to prove that feminist theory, film history, and social practice are inevitably and productively intertwined. Essays in Reclaiming the Archive investigate the different models available in feminist film history and how those feminist strategies might serve as paradigmatic for other sites of feminist intervention. Chapters have an international focus and range chronologically from early cinema to post-feminist texts, organized around the key areas of reception, stars, and authorship. A final section examines the very definitions of feminism (post-feminism), cinema (transmedia), and archives (virtual and online) in place today. The essays in Reclaiming the Archive prove that a significant heritage of film studies lies in the study of feminism in film and feminist film theory. Scholars of film history and feminist studies will appreciate the breadth of work in this volume.
