"So, you know, be careful what you wish for. Australia's relationship with the EU is not one from a trade point of view that I think Britain would want, frankly," the former Rhodes Scholar added.

Australian-style Brexit deal? Be careful what you wish for ...
You can probably see why you should be careful what you wish for, because once that thought is in your head, the vibration is formed. It now exists, the process to bring it into formation has begun. It may never happen, but it could. These vibrations shouldn't be thought of in isolation.
