There are three things you need to know about Ashley Winston: 1) She has six brothers and they all have beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winston ' s preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her one-click addiction. However, when a family tragedy forces her to return home, Ashley can ' t escape the notice of Drew Runous—local Game Warden, bear wrestler, philosopher, and everyone ' s favorite guy. Drew ' s irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he can ' t seem to keep his exasperating opinions— or his soulful poetry, steadfast support, and delightful hands— to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds she ' s lost her heart in small town Tennessee. Beauty and the Mustache is book #4 in the Knitting in the City series, and book #0.5 in the Winston Brothers series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

Winston: 1) She has six brothers and they all have beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winston's preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her Amazon kindle one-click addiction. However, when a family tragedy forces her to return home, Ashley can't escape the notice of Drew Runous- local Game Warden, reclusive mountain man, bear wrestler, philosopher, and everyone's favorite guy. Drew's irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he can't seem to keep his exasperating opinions- or his soulful poetry, steadfast support, and delightful hands- to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds she's lost her heart in small town Tennessee.

What do a cynical former Marine and a sheltered former Olympic contender have in common? Nothing. Absolutely nothing. He has a girlfriend and she 's never been kissed. He 's sullenly sarcastic and she 's earnestly empathetic. He can 't stop thinking about her. She knows she should keep her distance. Nevertheless, when opposites attract, the results may be unexpected, but they 're also undeniably magnetic. ' Ninja at First Sight ' is a standalone, prequel novella (for book 5 of the Knitting in the City Series, ' Happily Ever Ninja ') and is 40k words.

From the NEW YORK TIMES, WALL STREET JOURNAL, & USA TODAY bestselling series Sienna Diaz is everyone 's favorite " fat " funny lady. The movie studio executives can 't explain it, but her films are out-grossing all the fit and trim headliners and Hollywood 's most beautiful elite. The simple truth is, everyone loves plus-sized Sienna. But she

Acces PDF Beauty Mustache Philosophical Romance Penny Reid

has a problem, she can ' t read maps and her sense of direction is almost as bad as her comedic timing is stellar. Therefore, when Sienna ' s latest starring role takes her to the Great Smoky Mountains National Park she finds herself continually lost while trying to navigate the back roads of Green Valley, Tennessee. Much to her consternation, Sienna ' s most frequent savior is a ridiculously handsome, charming, and cheeky Park Ranger by the name of Jethro Winston. Sienna is accustomed to high levels of man-handsome, so it ' s not Jethro ' s chiseled features or his perfect physique that make Sienna stutter. It ' s his southern charm. And gentlemanly manners. And habit of looking at her too long and too often. Sienna has successfully navigated the labyrinth of Hollywood heart-throbs. But can she traverse the tenuous trails of Tennessee without losing her head? Or worse, her heart? ***** Read the entire Winston Brothers series! There are three things you need to know about Elizabeth Finney: 1) She suffers from severe sarcastic syndrome, especially when she's unnerved, 2) No one unnerves her like Nico Manganiello, and 3) She knows how to knit. Elizabeth Finney is almost always right about everything: the musical merits of boy bands are undervalued by society, “benefits” with human Ken dolls are better without friendship, and the sun has set on her once-in-a-lifetime chance for true love. But when Elizabeth's plans for benefits without friendship are disarmed by the irritatingly charismatic and chauvinistic Nico Manganiello—her former nemesis—she finds herself struggling to maintain the electric fence around her heart while avoiding a Nico charisma-electrocution or, worse, falling in love. Friends Without Benefits is book #2 in the Knitting in the City series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

After just five months of dating Janie, Quinn-former Wendell and unapologetic autocrat-is ready to propose marriage. In fact, he's more than ready. If it were up to Quinn, he would efficiently propose, marry, and beget Janie with child all in the same day. But Janie, much to Quinn's dismay, tosses a wrench in his efficacious endeavors and challenges him to prove his devotion by going through the matrimonial motions, no matter how minute and mundane. Will Quinn last until the wedding day?

I'm breaking up with set-ups. No more "can I introduce you to my son, nephew, grandson, the butcher, the guy down the street who mows my lawn." Machines know what's best, and I'll rely on the great dating algorithms of the web to find the ideal man, thank you very much. Soon enough, it looks like I've found him -- his nickname is Lucky Suit, and he's hilarious, quick-witted and full of heart. But when I finally get together with him in person, I have the distinct feeling I've met him before. Turns out there's more to our meeting than I had thought, and when we discover what truly brought us together, all bets are off.

In this authoritative, lively book, the celebrated Italian

Acces PDF Beauty Mustache Philosophical Romance Penny Reid

novelist and philosopher Umberto Eco presents a learned summary of medieval aesthetic ideas. Juxtaposing theology and science, poetry and mysticism, Eco explores the relationship that existed between the aesthetic theories and the artistic experience and practice of medieval culture. "[A] delightful study. . . . [Eco's] remarkably lucid and readable essay is full of contemporary relevance and informed by the energies of a man in love with his subject." --Robert Taylor, Boston Globe "The book lays out so many exciting ideas and interesting facts that readers will find it gripping."

--Washington Post Book World "A lively introduction to the subject." --Michael Camille, The Burlington Magazine "If you want to become acquainted with medieval aesthetics, you will not find a more scrupulously researched, better written (or better translated), intelligent and illuminating introduction than Eco's short volume." --D. C. Barrett, Art Monthly
