About Us... - Poems on the Underground

Poems on the Underground is a collection of the poems featured on billboards with trains on London's Underground [subway] system. It began about 10 years ago when a group of writers decided to pool money to buy advertising space on a train to help increase the accessibility of poetry for the "common (wo)man" so to speak.

You in your going-away coat speeding ahead.
And me, me then like a fleet god gaining.
Upon you before you turned to a reed. Or some
new white flower japped with crimson. As the
coat flapped wild and button after button.
Sprang off and fell in a trail. Between the
Underground and the Albert Hall.
