The book of Revelation stands out as one of the most intriguing, yet least understood books of the Bible. From the sobering letters to the seven churches to the amazing visions and epic battles, millions of Christians have toiled to understand the meaning of this mysterious book. Trust Dr. Warren Wiersbe, pastor and Bible teacher for over forty years, to take you chapter-by-chapter through the various topics in this important book, all the while, keeping a steady eye on the main message of the book: Christ is the victor, and in Christ, we are also victorious. Part of Dr. Wiersbe's best-selling "Be" Commentary series, Be Victorious has now been updated with new content and study questions to aid your in-depth analysis and application of these important truths. Don't miss the chance to get a sneak peak at Christ's decisive victory.

Have you ever wondered where the abundant life Scripture promises is, and how you seem to have missed it? Do you ever catch yourself saying, "Those were the best years of my life?" A failed relationship, a health crisis, a job loss, the death of a loved one—all can cause us to hide out, go numb, give up. Before we even know it, we're simply coping with life instead of living it to the fullest. It happens to most of us at one point or another. For author and Bible study teacher Denise Hildreth Jones, it happened in the wake of her devastating divorce. But she fought desperately to reclaim her God-designed heart, and now, in her transparent, authentic style, Denise challenges you to do the same. Sharing stories from her own journey and others she's walked alongside, Denise will help you identify ways you've given your heart to "lesser gods" like performance, people-pleasing, and control, and how to find your way back to God's design for your life—to laughing, loving, and living life to the fullest.

The prophet Daniel faced unbelievable pressures to compromise his faith, to live in a hostile culture, and to confront temptations and threats. Believers in Jesus Christ face many of the same trials. Join Beth Moore for an in-depth look at the life of Dan

Using the example of John the apostle, whom Jesus took on a lifelong journey into the depths of His love, the author argues that Jesus still desires to reveal Himself to His disciples today, and shows readers how to live in the reality that they, too, are Christ's beloved.

Join bestselling author Beth Moore in her life-changing quest of vine-chasing—and learn how everything changes when you discover the true meaning of a fruitful, God-pleasing, meaning-filled life. God wants us to flourish. In fact, he delights in our flourishing. Life isn't always fun, but in Christ it can always be fruitful. In Chasing Vines, Beth shows us from Scripture how all of life's concerns—the delights and the trials—matter to God. He uses all of it to help us flourish and be fruitful. Looking through the lens of Christ's transforming teaching in John 15, Beth gives us a panoramic view of biblical teachings on the Vine, vineyards, vine-dressing, and fruitfulness. Along the way you'll discover why fruitfulness is so important to God—and how He can use anything that happens to us for His glory and our flourishing. Nothing is for nothing. Join Beth on her journey of discovering what it means to chase vines and to live a life of meaning and fruitfulness. An inspiring spiritual book for every Christian.

This is the first in a series of devotional commentaries, which allow people to get to grips with each book of the Bible one bite at a time. Phil Moore will not cover the whole of each book, but rather focuses on key sections which together form a useful introduction. There will be 25 volumes in all: each contains about 60 readings, but this may vary from book to book. Although the tone is light, the text is full of useful application and backed by substantial scholarship. Acts - 978 1 85424 989 0 Revelation - 978 1 85424 990 6
