The Yoga of the Bhagavad Gita by Paramahansa Yogananda ...

Paramahansa Yogananda 4.67 · Rating details · 156 ratings · 10 reviews States that the words of Lord Krishna to Arjuna in the "Bhagavad Gita" are at once a profound scripture the science of Yoga, union with God, and a textbook for everyday living.

"One of the best-loved scriptures in the world, the Bhagavad Gita has been translated by many scholars and poets over thousands of years. This new version, rendered in modern english prose by Swami Kriyananda, is based on the interpretations of his Guru, Paramhansa Yogananda, author of **Autobiography of a Yogi.**" "The Gita is the heroic story of the battlefield counsel given by Krishna to Arjuna just prior to the start of a great war. Responding to Arjuna's moral dilemma over fighting against his beloved friends, family, and teachers, Krishna advises Arjuna on his duties as a warrior. Yogananda's insights reveal that The Gita is in fact a spiritual allegory, and that each character in the story symbolizes psychological traits and aspects of our own consciousness. As Arjuna looks upon the warriors on the battlefield, he is really facing his own inner battle between the forces of delusion and the forces of Spirit within. Krishna's advice to Arjuna on how to win the battle - using yogic tools of devotion, selfless service, and spiritual discrimination - gives each of us the guidance we need to move forward in dharma (right-action) in every material or spiritual test that life may bring."--BOOK JACKET.

"The words of Lord Krishna to Arjuna in the Bhagavad Gita," writes Paramahansa Yogananda, "are at once a profound scripture the science of Yoga, union with God, and a textbook for everyday living." The Bhagavad Gita has been revered by truth seekers of both the Eas...

A direct disciple of the spiritual master author of **Autobiography of a Yogi** reveals the deep allegorical meanings of India's best-loved scripture from a new perspective, sharing practical advice on such topics as achieving victory in life in union with the divine, preparing for life's end, and what happens after death.

A direct disciple of the spiritual master author of **Autobiography of a Yogi** reveals the deep allegorical meanings of India's best-loved scripture from a new perspective, sharing practical advice on such topics as achieving victory in life in union with the divine, preparing for life's end, and what happens after death.

"Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus"--Provided by publisher.

This collection debates the path and purpose of life. The author discusses such topics as whether it is possible to hasten human evolution, the possibility of a scientific method to ensure a pathway to life's highest fulfilments and what guidelines help mediators find genuine spiritual progress.

This anthology presents talks by Paramahansa Yogananda, his foremost lifing disciple Sri Daya Mata, and other long-time monks and nuns of his Self-Realization Order, offering keys to the art of spiritual living in the new millennium.

Inspired by Yogananda's classic **The Science of Religion**, here is a nondogmatic approach to religion for the agnostic and believer alike.

What happens as we grow spiritually? Is there a step-by-step process that everyone goes through all spiritual seekers, including those of any or no religious persuasion as they gradually work their way upward, until they achieve the highest state of Self-realization? About 2200 years ago, a great spiritual master of India named Patanjali described this process, and presented humanity with a clear-cut, step-by-step outline of how all truth seekers and saints achieve divine union. He called this universal inner experience and process yoga or union. His collection of profound aphorisms a true world scripture has been dubbed Patanjali s Yoga Sutras. Unfortunately, since that time many scholarly translators with little or no spiritual realization have written commentaries on Patanjali s writings that have succeeded only in burying his pithy insights in convoluted phrases like becomes assimilated with transformations and the object alone shines without deliberation. How can any reader understand Patanjali s original meaning when he or she has to wade through such bewildering terminology? Thankfully, a great modern yoga master Paramhansa Yogananda, author of the classic **Autobiography of a Yogi** has cut through the scholarly debris and resurrected Patanjali s original teachings and revelations. Now, in **Demystifying Patanjali**, Swami Kriyananda, a direct disciple of Yogananda, shares his guru s crystal clear and easy-to-grasp explanations of Patanjali s aphorisms. As Kriyananda writes in his introduction, My Guru personally shared with me some of his most important insights into these sutras. During the three and a half years I lived with him, he also went with me at great length into the basic teachings of yoga. I was able, moreover, to ask my Guru personally about many of the subjects covered by Patanjali. His explanations have lingered with me, and have been a priceless help in the [writing of this book].
