Doris

A provocative and "dizzying satire" (The New Yorker) that "boldly turns history on its head" (Elle) from the Man Booker Prize winning author of Girl, Woman, Other. What if the history of the transatlantic slave trade had been reversed and Africans had enslaved Europeans? How would that have changed the ways that people justified their inhuman behavior? How would it inform our cultural attitudes and the insidious racism that still lingers today? We see this tragicomic world turned upside down through the eyes of Doris, an Englishwoman enslaved and taken to the New World, movingly recounting experiences of tremendous hardship and the dreams of the people she has left behind, all while journeying toward an escape into freedom. A poignant and dramatic story grounded in provocative ideas, Blonde Roots is a genuinely original, profoundly imaginative novel.

In an alternate world in which Africans enslaved Europeans, Doris, an Englishwoman, is captured and taken to the New World, where the hardships she endures as a slave are offset by dreams of escape and home.

A provocative and "dizzying satire" (The New Yorker) that "boldly turns history on its head" (Elle) from the Man Booker Prize winning author of Girl, Woman, Other. What if the history of the transatlantic slave trade had been reversed and Africans had enslaved Europeans? How would that have changed the ways that people justified their inhuman behavior? How would it inform our cultural attitudes and the insidious racism that still lingers today? We see this tragicomic world turned upside down through the eyes of Doris, an Englishwoman enslaved and taken to the New World, movingly recounting experiences of tremendous hardship and the dreams of the people she has left behind, all while journeying toward an escape into freedom. A poignant and dramatic story grounded in provocative ideas, Blonde Roots is a genuinely original, profoundly imaginative novel.

FROM THE BOOKER PRIZE-WINNING AUTHOR OF GIRL, WOMAN, OTHER LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION 2009 WINNER OF THE TRANSLANTIC SLAVE TRADE had been reversed and Africans had enslaved Europeans? How would that have changed the ways that people justified their inhuman behavior? How would it inform our cultural attitudes and the insidious racism that still lingers today? We see this tragicomic world turned upside down through the eyes of Doris, an Englishwoman enslaved and taken to the New World, movingly recounting experiences of tremendous hardship and the dreams of the people she has left behind, all while journeying toward an escape into freedom. A poignant and dramatic story grounded in provocative ideas, Blonde Roots is a genuinely original, profoundly imaginative novel.

FROM THE BOOKER PRIZE-WINNING AUTHOR OF GIRL, WOMAN, OTHER LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION 2009 WINNER OF THE HURSTON WRIGHT LEGACY AWARD 2010 'A phenomenal book. It is so ingenious and so novel. Think The Handmaid's Tale meets Noughts and Crosses with a bit of Jonathan Swift and Lewis Carroll thrown in. This should be thought of as a feminist classic.' Women's Prize for Fiction Podcast Welcome to a world turned upside down. One minute, Doris, from England, is playing hide-and-seek with her sisters in the fields behind their cottage. The next, someone puts a bag over her head and she ends up in the hold of a slave-ship sailing to the New World. . . . In this fantastically imaginative inversion of the transatlantic slave trade - in which 'whites' are enslaved by black people - Bernadine Evaristo has created a thought-provoking satire that is as accessible and readable as it is intelligent and insightful. Blonde Roots brings the shackles and cries of long-ago barbarity uncomfortably close and raises timely questions about the society of today. 'A bold and brilliant game of counterfactual history. Evaristo keep[s] her wit and anger at a spicy simmer throughout.' Daily Telegraph 'So human and real. Re-imagines past and present with refreshing humour and intelligence.' Guardian 'A brilliant satire whose flashes of comedy make the underlying tragedy all the more poignant.' Scotland on Sunday

Looks at the American attitude towards blondes and personal appearance in general

Resisting Roots is being made into a Passionflix movie in late 2018 Editorial Reviews "Phenomenal. Soulful. And absolutely smoldering." |Katy Evans, New York Times Bestselling Author "Resisting Roots was a refreshing sexy read that brought tears and happy sighs the entire way through. An amazing and unique read from a talented author." |Rachel Van Dyken - #1 New York Times Bestselling Author "Baseball's number one hitter Trent Fox, aka my new book boyfriend, had me reading with the fan on high and a box of tissues on the nightstand! Carlan knocks it out of the park with an erotic, spiritual romp that's full of heart." |Geneva Lee, New York Times Bestselling Author "Audrey Carlan pens a sensual and unique read in Resisting Roots. Genevieve and Trent are scorching together, and the secondary characters make Lotus House and its community come to life. Lovin' it!" |Kermer, New York Times Bestselling Author "Hearts and heads are at war, both wanting different things in this non-stop, pulling heartstrings, emotional, sexy book." |BookaliciousBabes Blog (BBB) "This story teaches us about the values of family, spiritual healing, love, sacrifice, and forgiveness." |JAC Book Blog "It's not just a red hot sexy love story, it's also about family and commitment, coming to terms with loss and finding the strength to move on and face the future." |A BookLover's Emporium Book Blog Synopsis Yoga instructor Genevieve Harper is a blond bombshell loaded down with responsibility and sacrifice. She makes the most out of raising her two siblings in the wake of their parents' tragic accident. At twenty-four, she doesn't have time to devote to a man!especially not the devastatingly handsome Trent Fox, who's known for being a |player| on and off the baseball field. Trent has the best hitting average in the league. Recently, he suffered a torn hamstring that takes him to the Lotus House Yoga Center for recuperation. There he meets the curvy, petite blonde with soulful black eyes and candy-coated glossy lips he'd like to do more to than kiss. He secures the flexible hottie for daily private lessons that ultimately show him how sensual the art of yoga can be. Can love grow between a woman who's rooted in her life and a man who resists any notion of staying in one place? *** If you're intrigued by the practice of yoga and desire a sensual, intensely erotic, and uniquely spiritual read with characters capable of performing pretzel-like sexual acts, the Lotus House series is for you. Each of the seven books can be read as a standalone but are better read in order. No cliffhangers. Books are erotic romances written for mature audiences 18+.

Two world wars, the Civil Rights movement, and a Jheri curl later, Blacks in America continue to have a complex and convoluted relationship with their hair. From the antebellum practice of shaving the head in an attempt to pass as a "free" person to the 1998 uproar over a White third-grade teacher's reading of the book Nappy Hair, the issues surrounding African American hair continue to linger as we enter the twenty-first century. Hair Story is a historical and anecdotal exploration of Black Americans' tangled hair roots. A chronological look at the culture and politics behind the ever-changing state of Black hair from fifteenth-century Africa to the present-day United States, it ties the personal to the political and the popular. Read about: * Why Black American slaves used items like axle grease and eel skin to straighten their hair. * How a Mexican chemist straightened Black hair using his formula for turning sheep's wool into a minklike fur. * How the Afro evolved from militant style to mainstream fashion trend. * What prompted the creation of the Jheri curl and the popular style's fall from grace. * The story behind Bo Derek's controversial cornrows and the range of reactions they garnered. Major figures in the history of Black hair are presented, from early hair-care entrepreneurs Annie Turnbo Malone and Madam C. J. Walker to unintended hair heroes like Angela Davis and Bob Marley. Celebrities, stylists, and cultural critics weigh in on the burgeoning sociopolitical issues surrounding Black hair, from the historically loaded terms "good" and "bad" hair, to Black hair in the workplace, to mainstream society's misrepresentation and misunderstanding of kinky locks. Hair Story is the book that Black Americans can use as a benchmark for tracing a unique aspect of their history, and it's a book that people of all races will celebrate as the reference guide for understanding Black hair.

Jheri curl

It's a hot summer afternoon. Tension is in the air. A gang of youths on bikes gathers outside a chip shop. A teenage boy is stabbed and left bleeding on the street. The boy's mother wonders how this could have happened to her son. She is full of questions, but when the answers lie so close to home, are they really what she wants to hear?

The funny and fabulous tale of two twentieth-century misfits and their adventure into European history... It is 1988, and Jessie, artiste, motormouth, ducker and diver, meets Stanley, angst-ridden banker and boffin. Jessie arrives like a guardian angel and lifts Stanley out of his soul-less life. He ditches his job, and together they set off across Europe. Destination -- unknown. Duration -- indeterminate. So begins an odyssey which turns into an adventure on the stage of European history featuring Shakespeare's "dark lady of the sonnets", Pushkin's African great-grandfather, the composer Chevalier de St. Georges and other colourful characters from Europe's past.
