This book captures nearly a century of motorcycling excellence with thorough information and stunning, full-color photography.

Before the /5 series, BMW had a reputation for producing expensive and idiosyncratic touring motorcycles.

# Read Free Bmw R100rs

But the /5 changed that. Although still expensive, the market was opened to a new world of riders, and during the 1970s the air-cooled boxer evolved into the ground-breaking R90S and R100RS. These were amongst the first motorcycles with factory-fitted fairings and they also
