The Calling is the story of Blackford "Toad" Turlow, an ambitious, impressionable young man who aspires to be a writer. The voice in his head is that of Eldon Odom, a famous - sometimes infamous - novelist to whom Toad apprentices himself. In the beginning, Toad devours every morsel from Odom, both words and actions. But along the way he learns far

more than the art of crafting fiction. He discovers that behind Odom's genius is a warped human being who abuses himself and those around him with alcohol, drugs and debauchery. Instead of teaching his eager disciples about writing, Odom uses them to fulfill his base desires. But Toad listens carefully to "The Old Man," the writer who years before was Odom's own mentor and who describes himself as "just the strange boy who cared to write things down." Toad is also influenced by the echoes of his reckless, lovable dead sister, Trish; Odom's lean and lusty girlfriend, Lindy Briggs; Odom's loving

The Calling is beautifully written and thoroughly engrossing novel of passion and purpose - one that tells much about the calling and the called. And, the Winston Salem Journal wrote, "Watson has much to say about life and art, about creativity and obsession, about the danger of violating reasonable bounds. He says it very well."
