Like Brain Training, Advanced Brain Trainer relies on you coming back to it for daily training, as by practising the game's challenges regularly, your brain begins to function at a quicker and more accurate rate - at least that's how the theory goes. What is more likely however, is that you simply become more familiar with what's required.

Advanced Brain Trainer | Articles | Pocket Gamer

The study kickstarted in Hubballi in August with preparations to set up the office space, and online training sessions to sensitise the faculty and PG students about PREVENT study in a short time; one major induction session was conducted with Prof Kasturi Donimath, head of OBG department, clinical OBG faculty, Dr Fattepur, head of neonatology ...
