A longtime Barron's handbook for use in the classroom as well as the office, this newly revised edition of "Business English" is better than ever.

CD and book designed to teach idioms and expressions used in the American business world.

What is Business English? The term " Business English " can have different meaning for different people. For some, it focuses on vocabulary and topics used in the worlds of business, trade, finance, and international relations. For others it refers to the communication skills used in the workplace, and focuses on the language and skills needed for typical business communication such as presentations, negotiations, meetings, socializing, correspondence, report writing, and a systematic approach. Have you ever wondered how you can improve business writing such as proposal, presentation drafts, emails, or report? Do you want to stop making avoidable mistakes during your business speeches or are you having challenges speaking professionally? If you answer yes to these questions, then this book will greatly enhance the way you Speak and Write at workplaces or in office environments. In this book, You will be learning how to communicate effectively in English in a professional context. You will be expanding your English vocabulary, improve your ability to write and speak in both social and professional interactions, and learn terminology and skills that you can apply to business negotiations, telephone conversations, written reports, emails, and presentations. This book is written to bridge the gap between the general English and the specialized business English that you need for career advancement. You will be learning how to negotiate your potential clients and learning how to convey ideas to your colleagues or business executives in a much more effective way. New terms and phrases will also be used in different business environment, such as:

- Meetings
- During presentation
- Briefings and
- Public speaking
- Interviews

Also, you will learn the basic rules for engaging in business writing, which includes:

- Letter writing
- Email writing
- Drafting of presentations
- Proposal writing

Every rules and guideline given in this book is practical and easy to follow. If you are purchasing "The Advanced Business English Guide" Today, you will be also getting 2 BONUS Chapters on How to Ace your Interview + How to get a Promotion and a Raise. It's time to advance your career and start the journey to improve your Business English skills. You will make significant changes to the way you communicate. You Will be a Step Closer to Success!

Providing guidance to non-native English speakers on how to communicate clearly and concisely, this book uses real-life international

business scenarios to help develop your skills and provide you with some answers that even your boss might not know. --

Introducing Business English provides a comprehensive overview of this topic, situating the concepts of Business English and English for Specific Business Purposes within the wider field of English for Special Purposes. This book draws on contemporary teaching and research contexts to demonstrate the growing importance of English within international business communication. Covering both spoken and written aspects of Business English, this book: examines key topics within Business English, including teaching Business English as a lingua franca, intercultural business interactions, blended learning and web-based communication; discusses the latest research on each topic, and possible future directions; features tasks and practical examples, a section on course design, and further resources. Written by two leading researchers and teachers, Introducing Business English is a must-read for advanced undergraduate and postgraduate students studying Business English, Business English as a Lingua Franca, and English for Specific Business Purposes.

This updated edition provides clear, concise instruction on every form of business writing, from traditional business letters, reports, and memos to email and other electronic communications. The author emphasizes that effective business English begins with mastering grammar and sentence structure, and presents a brush-up review of grammar and correct English usage. She also advises on achieving an appropriate business style that conveys the writer's message succinctly without resorting to stilted, overly formal language or meaningless jargon. This book is perfect for the modern businessman since it's been updated for today's web-based world. Includes excellent examples of model business letters, résumés, employment letters, interoffice memos, news releases, and business reports. Additional features include exercises with answers and essential advice for job interviews.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. English for Everyone is an exciting and comprehensive self-study course for adults learning English as a foreign language.
