An activity to encourage annotation, where something apparently very difficult to understand can be made sense of through a systematic series of guesses. You can decide at what stage to provide the glossary; we provided it after filling in Box A since in many cases pupils guessed meanings accurately.

Students study Chaucer's Canterbury
Tales not just for its rich language, but

Read Book Canterbury Tales Prologue

also for the insights it provides into the Middle Ages. Using wikis, students collaborate to study both literature and history on their own terms. They create meaning and build information networks using tools Chaucer himself would have loved.
