R F Engine Engine and Engine Parts to fit Case®

The engine would later be bored and stroked to create the 207-cid (3.4-liter) G207D, and similar gasoline engines were also built. The 430 remained on sale through 1969 and more than 19,000 were produced before the line was upgraded into the 470. Though the popular 70-series featured many upgrades, the 470 was really little different than the 430.
