Sabuda & Reinhart present Castle : Medieval days and ...

What was a Medieval knight? Many things come to mind when we think of a knight and the role of the knight has changed over the centuries. But the typical Knight we think of was a man that lived between the 12th and 17th centuries who was pledged to serve his liege or king in military service. Generally this pledge was termed that the knight would serve 40 days of each year in military combat for his king.

Castle Medieval Days And Knights A Sabuda Reinhart Pop Up ...

Make this summer legendary. Witness Romans clashing, brave knights battling it out in real tournaments, and jousters displaying feats of strength and skill to rival today's top athletes. Experience the drama for yourself at one of our blockbuster historical events taking place across the country.

Provides readers of all ages with a colorful tour of medieval castles through detailed pop-up diagrams with informative and factual text about their construction, inhabitants, and the era in which they were used.

Robert Sabuda and Matthew Reinhart present a fascinating introduction to castle life. Over 15 intricate pop-ups accompany the fact-filled text, transporting readers to medieval times.

Go back to the thrilling time of warring knights who were prepared to give their life in order to protect their lord and his castle. Castles may conjure up a romantic fairy tale world; however, in real life, during the Middle Ages, castles were fortresses, providing shelter and protection for the lord as well as for the peasants who lived on his land. For an army, a lord depended on young soldiers in armor called knights who spent years at the castle learning the skills of warfare. Author Sarah Fabiny dives into the history of castles and how they grew from simple wood structures to mighty fortresses in stone. She also explains who could become a knight and what their lives were like off of the battlefield, enjoying feasts, courting their lady loves, and showing off in tournaments. With 80 fun black-and-white illustrations and an engaging 16-page photo insert, readers will be excited to read this latest addition to Who HQ!

Presents a day in the life of a medieval lord as he runs the land over which he holds power. A Level 4 DK Reader.

Enter the enthralling medieval world of castles attacked and defended by brave and noble knights! This interactive puzzle-in-a-book invites kids ages 7 and up to pop out and assemble a stand-up castle complete with knights and battle equipment. Like real archaeologists, kids will interpret clues from medieval documents, paintings, maps, and ground surveys. They can then apply their knowledge to excavate the site of a besieged castle and reconstruct both the castle and the battle scene, figuring out how the pieces of wall fit together, what's located inside the courtyard, how a trebuchet works, and much more. With the final setup of warring knights on horseback, the battle comes to life! This book offers hours of imaginative play so fascinating that kids won't even notice how much they're learning.

Portrays the art, medicine, education, travel, clothing, agriculture, festivals, tournaments, and warfare of the Middle Ages.

Illustrations depicting everyday life in the Middle Ages are accompanied by brief text.

Four cousins, Roger, Ann, Eliza, and Jack, have an extraordinary summer when, after an old toy soldier comes to life, they find themselves transported back to the days of Robin Hood and Ivanhoe.

This collection of 30 detailed illustrations focuses on activities within the castle and how the heavily fortified structure functioned. Included are views of the castle's moat, drawbridge, and other features, plus the Great Hall and dungeons. Also here are ready-to-color scenes of a lady doing needlework, a castle under siege, and more.

The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Getting the facts behind the fiction has never looked better.
