The best-selling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible exercises, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated Twelfth Edition reflects the latest updates to English usage and grammar and features a two-color design and lay-flat binding for easy photocopying. Clear and concise, with easy-to-follow explanations, offering “ just the facts ” on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

GET WRITING: SENTENCES AND PARAGRAPHS is a flexible textbook that meets the needs of a variety of developmental writers including those in career and community as well as four-year schools, and those for whom English is a second language. GET WRITING gives students the opportunity to acquire skills and develop confidence in their own writing, by providing clear steps and strategies as well as practice opportunities. A colorful and engaging format helps students stay motivated and quickly grasp chapter content. Students can choose writing topics that relate to their own lives or chosen careers, with sample student, professional, and workplace models. GET WRITING promotes critical thinking skills by asking students to reflect on their choices throughout the writing process, and stresses the importance of evaluating, revising, and editing their writing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
