The words Chase spoke went round and round in my mind like a carousel. All I wanted to do was take a relaxing hot bath, get in my pajamas, curl up on the couch, and binge watch something. I got home after being stuck in traffic due to an accident for over an hour, threw my keys down on the table, and started the bath water.

Damien Prescott is the fourth book in the Redemption Series by Sandi Lynn. Damien and London are quite literally oil and water when they meet at the coffee shop in the airport. He is arrogant, rude, cocky, rich workaholic and she is sweet, friendly, beautiful, carefree, and giving.

A Standalone Novel I've been named L.A.'s sexiest and most eligible bachelor. I'm filthy rich, live in a house on the beach, drive a fast sports car, and I do a job I love. My hobbies include partying and beautiful women. A lot of beautiful women. They adore me because I'm charming and fun until I walk away, leaving them crying on the floor and begging me to stay. I can have any woman I want with the snap of my fingers, except for one-an incredibly beautiful woman named Kinsley Davis. She isn't affected by me in the least. In fact, she wants nothing to do with me, and I can't figure out why. After all, I am Chase Calloway. She'll be tough, but I'll break her. I'll get her into my bed, leaving her so satisfied that she'll become addicted, and when she does, I'll break her heart. It's what I do best. It's all I know. I'm incapable of love. My fears run too deep and they keep me in control at all times. My life was all fun and games until the unthinkable happened, and I'm left with no choice but to face my greatest fear of all. Chase Calloway is told from two different points of view.

When my father passed away, I took over our family business, saved it from the grips of bankruptcy and turned it into a multi-billion-dollar company, all by the age of thirty. After suffering a tragedy, I closed off my heart and myself to everyone. Anger had become my best friend and I'd never let anyone get close to me again. This was my life until a woman named Zoey Benson crossed my path. For the first time in over five years, I felt something. A feeling that I had long buried deep inside me. A feeling I never wanted to experience again. She wanted to be my savior and I sure as hell didn't want to be saved.

My name is Damien Prescott, and I had the kind of life most men only dream of. I ran a successful company, had millions of dollars to my name, and had the company of beautiful women at my disposal any time I snapped my fingers. My work and money were the only things that mattered to me. I was a shark in the advertising world and people often told me I was impatient, rude, and arrogant. Did I care? No. I was a workaholic and reaping the rewards every day. Then I unexpectedly met this beautiful annoying woman. She got under my skin and drove me crazy. Her views on life were so different from mine. She was irresponsible and we were complete opposites, but that didn't stop the feelings that started to emerge inside me. She was only in New York for one month and I found myself wanting her to permanently stay.My name is London Everly and I traveled around the country seeing and doing the things I'd dreamed of since I was a kid. I wasn't running and I wasn't hiding. I was just experiencing the gifts and beauty that life had to offer. I was on my way to New York when I unexpectedly met a handsome man with many flaws. He was rude, arrogant, uptight, egotistical, cocky, and a major workaholic. He couldn't appreciate what life had to offer because the only thing he focused on was wealth. But even though he was all those things, it didn't stop the feelings I developed for him, unexpected feelings that I couldn't allow. I had a secret and it would be easier on both of us if he never found out. But he did...18+
