Press 1 for technical support. Press 2 for broken hearts. Press 3 if your life has totally crashed. . . . Six friends work nights at a call center in India, providing technical support for a major U.S. appliance corporation. Skilled in patience –and accent management –they help American consumers keep their lives running. Yet behind the headsets, everybody ' s heart is on the line. Shyam (Sam to his callers) has lost his self-confidence after being dumped by the girl who just so happens to be sitting next to him. Priyanka ' s domineering mother has arranged for her daughter ' s upscale marriage to an Indian man in Seattle. Esha longs to be a model but discovers it ' s a horizontal romp to the runway. Lost, dissatisfied Vroom has high ideals, but compromises them by talking on the phone to idiots each night. Traditional Radhika has just found out that her husband is sleeping with his secretary. And Military Uncle (nobody knows his real name) sits alone working the online chat. They all try to make it through their shifts –and maintain their sanity –under the eagle eye of a boss whose ego rivals his incompetence. But tonight is no ordinary night. Tonight is Thanksgiving in America: Appliances are going haywire, and the phones are ringing off their hooks. Then one call, from one very special caller, changes everything. Chetan Bhagat ' s delicious romantic comedy takes us inside the world of the international call center, where cultural cross-wires come together with perfect pathos, hilarity, and spice.

Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. What would you do if destiny twisted the road you took? What if it threw you to a place you did not want to go? Would you fight, would you run or would you accept? Set across two cities in India in the early eighties, Life is What You Make it is a gripping account of a few significant years of Ankita ' s life. Ankita Sharma has the world at her feet. She is young, good-looking, smart and tones of friends and boys swooning over her. She also manages to get into a premier management school for her MBA. Six months later , she is a patient in a mental health hospital. Life has cruelly and coldly snatched that which meant the most to her and she must now fight to get it all back. It is a deeply moving and inspiring account of growing up, of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you. A tale, at its core a love-story that makes us question our beliefs about ourselves and our concept of sanity, and forces us to believe that life is truly what one makes it.
