have severe emotional and/or behavioral challenges.

### *Child & Adolescent Mental Health Division*

Child and Adolescent Mental Health is inviting authors to submit their randomised clinical trials on all topics relating to child and adolescent mental health, and in particular, those that are clinically relevant and relating to the effectiveness of treatment models. All RCTs should endeavour to meet the interests and needs of researchers and practitioners for robust, evidence-based science that informs on 'what works, for whom and under what circumstances'.
