In short, as we realize that we are created for community, we are in a position to connect Christian belief with Christian living." This is the second time I have read this book. The first time was in college. This last time through was better than the first! I have really been able to catch Grenz's vision of trinitarian community.

Five keys to building a small group culture that fosters meaningful, lasting connections within your church community. Small groups are the key to impacting lives in your church. But a healthy small-group environment doesn't just happen. So pull up a chair. Let's talk about how to make it happen. Bill Willits and bestselling author Andy Stanley share their successful approach, which has resulted in nearly eight thousand adults becoming involved in small groups at North Point Community Church in Atlanta. Simply put, the five principles have passed the test. This is not just another book about community; this is a book about strategy—strategy that builds a small group culture. *Creating Community* shares clear and simple principles to

help people connect into meaningful relationships. The kind that God desires for each of us and that He uses to change our lives. Put this proven method to work in your ministry and enjoy the tangible results—God ' s people doing life TOGETHER. “ The small-group program at North Point Community Church is not an appendage; it is not a program we tacked on to an existing structure. It is part of our lifestyle. We think groups. We organize groups. We are driven by groups. Creating Community contains our blueprint for success. And I believe it has the potential power to revolutionize your own small-group ministry! ” — Andy Stanley

The Megachurch Book juxtaposes the way of the scripture to the way of the

modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was

written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.

This proven systematic theology represents the very best in evangelical theology. Stanley Grenz presents the traditional themes of Christian doctrine -- God, humankind, Christ, the Holy Spirit, the church, and the last things -- all within an emphasis on God's central program for creation, namely, the establishment of community. Masterfully blending biblical, historical, and contemporary concerns, this new edition of Grenz's respected work provides a coherent vision of the faith that is both intellectually satisfying and

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator

prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Each person is given the opportunity to respond to popular culture in a variety of ways. They can condemn, critique, consume or copy. Not only do individuals have this choice, each church has to choose its response to culture as well. What if we were never designed to passively respond to culture, but to create it? God specifically created each person to build a culture that honors Him. We are called to create a culture around

us based upon the worship of God.

The purpose of this culture is help people engage in worship beyond the corporate worship service. To teach them how to hear and see what God is doing and carry it out in every relationship and situation they encounter. To present something new and more compelling to the world than what they have seen before. This book will help you discover how to create culture by examining Jesus' example and then give you practical application on how to apply it to your life. This book is an invitation to come and discover the path towards creating a culture that acknowledges and worships God.

Let me begin by saying that our Christian experience must be translated from the four walls of the

Where To Download Created For Community Church and into our day to day

lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule,

rejection and even persecution?

People have continued to shamelessly talk foul things concerning

Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there

Where To Download Created For Community

has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way

Where To Download Created For Community

to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer

Where To Download Created For Community

to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.
