Five keys to building a small group culture that fosters meaningful, lasting connections within your church community. Small groups are the key to impacting lives in your church. But a healthy small-group environment doesn't just happen. So pull up a chair. Let's talk about how to make it happen. Bill Willits and bestselling author Andy Stanley share their successful approach, which has resulted in nearly eight thousand adults becoming involved in small groups at North Point Community Church in Atlanta. Simply put, the five principles have passed the test. This is not just another book about community; this is a book about strategy—strategy that builds a small group culture. Creating Community shares clear and simple principles to help people connect into meaningful relationships. The kind that God desires for each of us and that He uses to change our lives. Put this proven method to work in your ministry and enjoy the tangible results—God's people doing life TOGETHER. “The small-group program at North Point Community Church is not an appendage; it is not a program we tacked on to an existing structure. It is part of our lifestyle. We think groups. We organize groups. We are driven by groups. Creating Community contains our blueprint for success. And I believe it has the potential power to revolutionize your own small-group ministry!” — Andy Stanley

"Creating Community" shares clear and simple principles to help people connect in the kind of meaningful, life-changing relationships that God desires for each person.

Tell Faith-Filled Fish Tales Fishing stories. We've all heard them. "It was this big." "You should have seen the one that got away." People love to tell stories of their fishing adventures. When it comes to faith, however, most people clam up. Why is it we can't talk about what God has done in our lives as naturally as we can spin fishing tales? In this six-session companion study guide to the Go Fish DVD, Andy Stanley explores the motivation behind sharing our faith. Discover God's heart for those who don't know Him and the role that we can play in introducing others to Him. Along the way you will be equipped with tools that will help you make sharing your faith a natural part of your life. This study guide is complete with a leader's guide and six lessons, including conversation-starting exercises, discussion questions, and application steps. Story Behind the Book Andy Stanley, senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand, has had countless conversations with everyday Christians who struggle to share their faith with confidence and ease. Though not everyone has "the gift," evangelism is something we're each called to. This curriculum was designed to take the fear out of sharing the good news of Christ, and to help you talk about it as naturally as you would that exciting fishing trip last weekend!

Community. It's a word we often hear, but what does it really mean? And why is it so important to your spiritual life? Because you can't grow spiritually unless you're connected relationally. God designed us that way. He wants to use other

Where To Download Creating Community Five Keys To Building A Small Group

people to grow us and he wants to use us to grow other people. In this 8-session video-based study (DVD/digital video sold separately), specifically designed for launching new small groups well, you'll explore how building deep relationships with the people in your small group and serving in the larger community around you will grow your faith. You'll learn why your unique story matters... to God and to the people you do life with. Community is a great way for small groups to grow together and for churches to connect new people in their congregation. This conversation guide is a necessary tool walking you through each session with group starters, leader's notes, discussion questions, and weekly reading. Sessions include: Show Up Pursue God Join In Be Real Part 1 Be Real Part 2 Be Real Part 3 Be the Church Be Together Designed for use with Community Video Study (sold separately).

Is your small group healthy? Is it thriving, surviving, or declining? Is your group missional or in maintenance mode? Do you want answers to these questions? How about a viable plan of action for the future of you group? This book contains a revealing small group health evaluation and principles that will help you determine and increase your group's level of health in seven vital areas: - Christ-centered Community - Overflowing Leadership - Shared Leadership - Proactive Leadership - Authentic Community - Ministry to Others - Discipling Environment In SMALL GROUP VITAL SIGNS, you'll gain a new appreciation for the way Mike Mack explains why each of the areas above are critical to your group's health. His helpful stories, biblical principles, and practical ideas for health and vitality will help you and your group grow in each area. If you've wondered why some small groups thrive and their leaders seem so energized and happy, you'll discover it in this revealing book-and learn how to become

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.

Annie has many unanswered questions! Will she find her one and true love or will she be destined to stay single all her life and do a work for God?

Team success doesn't start with results. It starts with the building of an effective team that can deliver on its promise. This book is for managers and leaders who have responsibility for the creation and success of teams. If you are a department head or project manager, or if you are the senior-level champion or sponsor of a proposed team, this guidebook will help you understand the five factors critical to building effective teams and show you how to use those factors to lay the groundwork for successful teams.

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the

Where To Download Creating Community Five Keys To Building A Small Group

past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

The Megachurch Book juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue,

Where To Download Creating Community Five Keys To Building A Small Group

invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.
