In 1964, less than one year into his tenure as publisher of the Bogalusa Daily News, New Orleans native Lou Major found himself guiding the newspaper through a turbulent period in the history of American civil rights. Bogalusa, Louisiana, became a flashpoint for clashes between African Americans advocating for equal treatment and white residents who resisted this change, a conflict that generated an upsurge in activity by the Ku Klux Klan. Local members of the KKK stepped up acts of terror and intimidation directed against residents and institutions they perceived as sympathetic to civil rights efforts. During this turmoil, the Daily News took a public stand against the Klan and its platform of hatred and white supremacy. Against the Klan, Major 's memoir of those years, recounts his attempts to balance the good of the community, the health of the newspaper, and the safety of his family. He provides an in-depth look at the stance the Daily News took in response to the city 's civil rights struggles, including the many fiery editorials he penned condemning the KKK 's actions and urging peaceful relations in Bogalusa. Major 's richly detailed personal account offers a ground-level view of the challenges local journalists faced when covering civil rights campaigns in the Deep South and of the role played by the press in exposing the nefarious activities of hate groups such as the Klan.

In this book, Just About Folks, are some of the daily columns that my grandfather, Charles Edward Skidmore, wrote while working as the city editor of the Columbus (Kansas) Daily Advocate newspaper from 1930 to 1943.

Life in Baton Rouge, New Orleans, etc., 1862-1865.

Genealogists and other historical researchers have valued the first two editions of this work, often referred to as the genealogist's bible." The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources, The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers. More than 30 experts in this field—genealogists, historians, librarians, and archivists—prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black-and-white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find. "

In this book are some of the daily columns (Just about Folks) that my Grandfather "Charles Edward Skidmore" wrote while working as the city editor of the Columbus (Kansas) Daily Advocate newspaper from 1930 to 1943.
