This plot device in Darkfall read as silly to me, and had the opposite effect as intended. This is a big example of what the whole book suffered from. Characters either existed in a non-reality only to stretch logic and normalcy to further the struggling plot or characters reacted in inhuman/uncharacteristic ways to further the same simplistic ...

Terror strikes when four hideously disfigured corpses are discovered over the course of four days.

Stealing aboard the mechamagical Thunder Trains that carry undead souls to the dreaded outlands, the elfin Spyre and the ferran Mara escort a renegade mechamage to the site of a bold plan of rebellion. Original.

A blizzard brings a city to a standstill and ushers in an evil that defies imagination in this gripping tale from #1 New York Times bestselling author Dean Koontz. Winter gripped the city. Terror gripped it, too. They found four corpses in four days, each more hideous than the last. At first the cops thought they were dealing with a psychopath. But soon they heard eerie sounds in the ventilation system—and saw unearthly silver eyes in the snow-slashed night. In a city paralyzed by a blizzard, something watches, something stalks...

War has come. Nya’s the one who brought it. And the people love her for it. With Baseer in shambles and Geveg now an impenetrable military stronghold, Nya and the Underground have fled to a safer location—without Tali. Nya is guilt-ridden over leaving her sister behind and vows to find her, but with the rebellion in full swing and refugees flooding the Three Territories, she fears she never will. The Duke, desperate to reclaim the throne as his own, has rallied his powerful army. And they are on the move, destroying anyone who gets in the way. To save her sister, her family, and her people, Nya needs to stay ahead of the Duke’s army and find a way to build one of her own. Past hurts must be healed, past wrongs must be righted, and Nya must decide: Is she merely a pawn in the rebellion, a symbol of hope—or is she ready to be a hero?

Darkfall marks the beginning of a stunning trilogy from one of Australia's leading writers of fantasy. This powerful, compelling saga, book one of The Legendsong is set in a mysterious, uncertain world that only Carmody could create. After the death of her parents and her beloved instructor, Wind, Glynn devotes herself to the care of her sick twin sister, feeling her own life to be unimportant. One night, during a midnight swim, she is swept across the Void to the troubled watery world of Keltor, through a portal created to summon the mythical Unraveller. What is the mysterious connection between Glynn's world and Keltor? And why does the man who rescued her from the waves bear an eerie resemblance to Wind? While it stands on its own as an absorbing, seductive and powerful novel, the sequels to Darkfall will be eagerly awaited.

As a brutal storm unleashes its fury on the city, detective Jack Cardiff and his squad investigate the mysterious disappearance of employees from a high-rise building where only a grisly clue is left, plunging them into a nightmarish world of unimaginable horror and evil. Original.

Darkfall is a potent and unforgettable work of compelling writing about an adolescence lived in an Australian country town in the 1980s: desolate, dusty and bleak. Indigo Perry's narrative is a journey of grief, arranged around a score of music from alternative and post-punk sources, music unavailable outside cities in an age before the internet. This music, she contends, provides an imagined soundtrack, a ballast, for her isolation. Darkfall identifies a legacy of extreme toxic masculinity and gendered violence, containing little in the way of justice. The author's deep retrospective unstitching of her reality is presented to us with profound poetic strength, uncovering the power that resilience can unleash on an adult body. It is an act of recovery and reclamation.

[Siren Classic ManLove: Erotic Romance, Alternative, Paranormal, Werewolves, Public Exhibition, Romantic Suspense, Shape-shifter, Consensual BDSM, Flogging, Sex Toys, MM, HEA] Alessio's Fall Werewolf Beta Alessio Esteban believes rules exist for a reason...until a one-night-stand turns out to be more than he bargained for. A powerful hunter with a submissive heart, Kelias Cervantes is Alessio’s perfect match, but Kelias comes with strings attached. The heat threatening to erupt between Alessio and Kelias is undeniable, and Alessio can’t help but lust for the forbidden. As a half-blood demon raised by a fanatic group of human hunters, Kelias is the best in his field. He has one job. Assassinate the Beta of the Darkfall Mountain Pack and cripple the pack’s power structure. Failure means death, but the last thing Kelias wants is to kill Alessio. Kelias knows he shouldn’t want Alessio this much. He has trouble refusing the domineering Beta but he simply can’t abandon all his beliefs and the only family he’s ever known. Will accepting Alessio’s mating call trigger their fall? Jared's Heart Ten years ago, a drunk driver ran over Jared Hudson’s family. Thanks to the intervention of the Darkfall Mountain Pack, Jared and his sister became survivors, predators, and werewolves. A decade is plenty of time for Jared to plot his vengeance. He’s digging two graves, his own and his parent’s murderers, but it doesn’t matter. Jared plans to see this tale to the end, even if it costs him his own life. The one thing Jared didn’t account for? Falling in love with the man he swore to kill. Bear shifter Matthias Jensen has spent plenty of time behind bars. He’s balanced the scales. Paid plenty for his penance, but it doesn’t seem enough. When a mouthy pup threatens to kill him, Matt instantly recognizes Jared as his mate. He’s dreamed of begging for forgiveness. Matthias thought he was ready to die for his sins, until he realizes that there’s something else worth living for—a future with his unexpected mate.
