Practice papers to help your students prepare for GCSE assessment

An essential aid to lesson planning and teaching, these resources provide a wealth of differentiated material designed to make teaching both foundation and higher tier students much easier.

Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.

This title covers Edexcel's GCSE ICT specification. It is designed in double-page spreads, clearly set out and written in a style and

language appropriate for students at this level. Each spread covers a whole topic, providing just the right amount of information to hold students' attention.

This Success Revision Guide offers accessible content to help students manage their revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is offered to help build students' confidence. Exam tips and techniques are provided to support students throughout the revision process.

Developed for the EDEXCEL specification, this course provides preparation for GCSE success with a practical approach. Detailed support and guidance are contained in the Teacher Files on advanced planning, points of emphasis, key-words, notes for the non-specialist, useful supplementary ideas, and homework sheets.

New editions of the bestselling Revise GCSE Study Guides with a fresh new look and updated content in line with curriculum changes. Revise GCSE contains everything students need to achieve the GCSE grade they want. Each title has been written by a GCSE examiner to help boost students' learning and focus their revision. Each title provides complete curriculum coverage with clearly marked exam board labels so students can easily adapt the content to fit the course they are studying. Revise GCSE is an ideal course companion throughout a student's GCSE study and acts as the ultimate Study Guide throughout their revision.

This pupil's text offers a thorough match to the Edexcel GCSE Statistics specification. It includes foundation and higher material, coursework teaching and advice to help students complete the compulsory project, and an exam-style practice paper.
