ministries."The

purpose of this

book is to provide

the reader with

more than just

valuable insights

regarding the past.

. . . The future is

the emphasis of

this history book."

From the

Introduction

# Get Free Exploring

As recently as  
thirty years ago,  
Americans lived in  
a financial world  
that today seems  
distant. Investment  
and borrowing  
choices were  
meager: virtually  
all transactions  
were conducted in  
cash or by check.  
The financial  
services industry

Get Free

Exploring

Business 21st  
Century E-Book  
Michael

was heavily regulated, as an outgrowth of the Depression, while an elaborate safety net was constructed to prevent a repeat of that dismal episode in American history. Today, consumers and businesses have a dizzying array of

Get Free

Exploring

choices about  
where to invest  
and borrow. Plastic  
credit cards and  
electronic transfers  
increasingly are  
replacing cash and  
checks. Much  
regulation has  
been dismantled,  
although the  
industry remains  
fragmented by  
rules that continue

# Get Free Exploring

to separate banks  
from other  
enterprises.

Meanwhile, finance  
has gone global  
and increasingly  
high-tech. This  
book, originally  
prepared as a  
report to Congress  
by the Treasury  
Department,  
outlines a  
framework for

Get Free  
Exploring  
Business 21st  
Century E Book  
Michael

setting policy  
toward the  
financial services  
industry in the  
coming decades.  
The authors, who  
worked closely with  
senior Treasury  
officials in  
developing their  
recommendations,  
identify three core  
principles that lie  
at the heart of that

# Get Free Exploring

framework: an enhanced role for competition; a shift in emphasis from preventing failures of financial institutions at all cost toward containing the damage of any failures that inevitably occur in a competitive market; and a

Get Free

Exploring

greater reliance on  
more targeted  
interventions to  
achieve policy  
goals rather than  
broad measures,  
such as flat  
prohibitions on  
certain activities.
