This is one of the more unique instructional art books that I've seen, and it's incredibly fun. Fantasy Genesis is based on the familiar dice-rolling type of games. Using a series of dice rolls, you'll pick subjects from one the many themed sets, mix and match to come up with your own ideas, creation and drawings.

Fantasy Genesis Characters continues the creativity game from the earlier book and uses that to generate ideas for characters to draw. What you'll need are those game dice with multiple faces because you need those to generate random choices from the long lists of ideas and suggestions provided. This book is split into five parts.
