The result: anxious, unfocused children who see schooling--and life--as a series of hoops to struggle through. In Free to Learn, developmental psychologist Peter Gray argues that our children, if free to pursue their own interests through play, will not only learn all they need to know, but will do so with energy and passion.

Free to Learn : Why Unleashing the Instinct to Play Will ...  
A brave, counterintuitive proposal for freeing our children from the shackles of the curiosity-killing institution we call school, Free to Learn suggests that it's time to stop asking what's wrong with our children, and start asking what's wrong with the system.

Free to Learn: Why Unleashing the Instinct to Play Will ...  
Peter Gray is an American researcher and scholar who is a research professor of psychology at Boston College. He is the author of a widely used introductory psychology textbook, now in its eighth edition. The book broke new ground when the first edition was published as the first general introductory psychology textbook that brought a Darwinian perspective to the entire field. He is also author of Free to Learn: Why Unleashing the Instinct to Play Will Make Our Children Happier, More Self-Reliant

Peter Gray (psychologist) - Wikipedia
