Ferguson, Palestine, and ...~~

A fast-paced series of speeches, interviews, and essays, *Freedom Is a Constant Struggle* examines how ostensibly disparate social movements around the world in fact share deep and meaningful connections that might link them together in a global struggle for human liberation. Across ten pieces of writing Angela Davis explores a wide range of topics, from the militarization of the police in Israel and America to the rapid spread of the prison-industrial complex throughout the world.

around the world. Reflecting on the importance of black feminism, intersectionality, and prison abolitionism, Davis discusses the legacies of previous liberation struggles, from the Black Freedom Movement to the South African anti-Apartheid movement. She highlights connections and analyzes today's struggles against state terror, from Ferguson to Palestine. Facing a world of outrageous injustice, Davis challenges us to imagine and build a movement for human liberation. And in doing so, she reminds us that "freedom is a constant struggle." This edition of *Freedom Is a Constant Struggle* includes a foreword by Dr. Cornel West and an introduction by Frank Barat.

challenges us to imagine and build the movement for human liberation. And in doing so, she reminds us that 'Freedom is a constant struggle.'

Angela Davis has been a political activist at the cutting edge of the Black Liberation, feminist, queer, and prison abolitionist movements for more than 50 years. First published and edited by Toni Morrison in 1974, *An* *Autobiography* is a powerful and commanding account of her early years in struggle. Davis describes her journey from a childhood on Dynamite Hill in Birmingham, Alabama, to one of the most significant political trials of the century: from her political activity in a New York high school to her work with the U.S. Communist Party, the Black Panther Party, and the Soledad Brothers; and from the faculty of the

Philosophy Department at UCLA to the FBI's list of the Ten Most Wanted Fugitives. Told with warmth, brilliance, humor and conviction, Angela Davis's autobiography is a classic account of a life in struggle with echoes in our own time.

No part of the United States was more resistant to the civil rights movement and its pursuit of racial equality than Mississippi. *Freedom Is a Constant Struggle* explores the civil rights movement in that state to consider its emergence before the 1965 Voting Rights Act and its impact long after. Did the civil rights movement have a lasting impact, and, if so, how did it bring about change? Kenneth T. Andrews is the first scholar to examine not only the history of the movement but its social and political legacy as

Read Online Freedom Is A Constant Struggle

well. His study demonstrates how during the 1970s and '80s, local movements worked to shape electoral politics, increase access to better public schools, and secure the administration of social welfare to needy African Americans. Freedom Is a Constant Struggle is also the first book of its kind to detail the activities of white supremacists in Mississippi, revealing how white repression and intimidation sparked black activism and simultaneously undermined the movement's ability to achieve far-reaching goals. Andrews shows that the federal government's role was important but reactive as federal actors responded to the sustained struggles between local movements and their opponents. He tracks the mobilization of black activists by the NAACP, the creation of Freedom

Read Online Freedom Is A Constant Struggle

Summer, efforts to galvanize black voters, the momentous desegregation of public schools and the rise of all-white private academies, and struggles over the economic development of black communities. From this complex history, Andrews shows how the civil rights movement built innovative organizations and campaigns that empowered local leadership and had a lasting legacy in Mississippi and beyond. Based on an original and creative research design that combines extensive archival research, interviews with activists, and quantitative historical data, *Freedom Is a Constant Struggle* provides many new insights into the civil rights struggle, and it presents a much broader theory to explain whether and how movements have enduring impacts on politics and society. What

results is a work that will be invaluable to students of social movements, democratic politics, and the struggle for racial freedom in the U.S.

With race and the police once more burning issues, this classic work from one of America's giants of black radicalism has lost none of its prescience or power. One of America's most historic political trials is undoubtedly that of Angela Davis. Opening with a letter from James Baldwin to Davis, and including contributions from numerous radicals such as Black Panthers George Jackson, Huey P. Newton, Bobby Seale and Erica Huggins, this book is not only an account of Davis's incarceration and the struggles surrounding it, but also perhaps the most comprehensive and thorough

Read Online Freedom Is A Constant Struggle

analysis of the prison system of the United State. Since the book was written, the carceral system in the US has seen unprecedented growth, with more of America's black population behind bars than ever before. The scathing analysis of the role of prison and the policing of black populations offered by Davis and her comrades in this astonishing volume remains as pertinent today as the day it was first published. Featuring contributions from George Jackson, Bettina Aptheker, Bobby Seale, James Baldwin, Ruchell Magee, Julian Bond, Huey P. Newton, Erika Huggins, Fleeta Drumgo, John Clutchette, and others.

A collection of speeches and writings by political activist Angela Davis which address the political and social

history. ■ ■ New Statesman And

The Foundations Of A Movement

With her characteristic brilliance, grace and radical audacity, Angela Y. Davis has put the case for the latest abolition movement in American life: the abolition of the prison. As she quite correctly notes, American life is replete with abolition movements, and when they were engaged in these struggles, their chances of success seemed almost unthinkable. For generations of Americans, the abolition of slavery was sheerest illusion. Similarly, the entrenched system of racial segregation seemed to last forever, and generations lived in the midst of the practice, with few predicting its passage from custom. The brutal, exploitative (dare one say lucrative?) convict-lease system that succeeded formal slavery reaped millions to

Read Online Freedom Is A Constant Struggle

southern jurisdictions (and untold miseries for tens of thousands of men, and women). Few predicted its passing from the American penal landscape. Davis expertly argues how social movements transformed these social, political and cultural institutions, and made such practices untenable. In *Are Prisons Obsolete?*, Professor Davis seeks to illustrate that the time for the prison is approaching an end. She argues forthrightly for "decarceration", and argues for the transformation of the society as a whole.

From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. Angela Davis is herself a

Read Online Freedom Is A Constant Struggle

woman of undeniable courage. She should be heard. The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and

Read Online Freedom Is A Constant Struggle

Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.
