Keira and her mother disagree over what makes a good husband, but the truth is, prospects in her village are slim. So when Aaron Drake arrives in the village and sets his sights on her, she cannot help but be interested. It's not just his handsome looks or easy confidence that captures her attention, but rather an air of otherness. Something that sets him apart. But Aaron is not the only new arrival. A fire-breathing dragon has taken up residence in the surrounding mountains, and the villagers are certain that it is just a matter of time before the creature destroys them all. There is more to the creature than meets the eye, however, and when danger comes it is not from the dragon, but from one of their own. But it is Keira's heart that is most at risk, and she must decide if she can pay the price that love demands. It takes a remarkable writer to make an old story as fresh and compelling as the first time we heard it. Bernard Cornwell's Internationally bestselling King Arthur Trilogy tells the mythic saga of King Arthur and is the work of a magnificent storyteller at the height of his powers. THE WINTER KING The novel is set in Dark Age Britain in a land where Arthur has been banished and Merlin has disappeared, where a child-king sits unprotected on the throne, where religion vies with magic for the souls of the people. It is to this desperate land that Arthur returns, a man at once utterly human and truly heroic; a man who loves Guinevere more passionately than he should; a man whose life is at once tragic and triumphant. ENEMY OF GOD Having defeated the last holdouts of civil war in southern Britain, Arthur has secured Mordred's throne. But he must still face raging conflicts between the old ways and the new, as well as foes more powerful and more dangerous--because they pose as friends. EXCALIBUR The unforgettable tale of Arthur's final struggles against the Saxons and his last attempts to triumph over a ruined marriage and ravaged dreams as forces both earthly and unearthly threaten everything Arthur stands for. Peopled by princesses and bards, by warriors and magicians, Excalibur is the story of love, war, loyalty, and betrayal.

Finally banishing the Saxon scourge from his lands, King Arthur, uniting Celtic Britain at last, finds his reign threatened from within by both his bitter queen and second wife, Wenhaver, and a traitor, and, with Merlin gone, must decide how best to proceed if he wishes to see Britain stand strong. Original.
