the holidays, but sounds of music and laughter in their van were shattered by a head-on collision. Lora watched helplessly as, one-by-one, her beloved family slipped into eternity. Awake in a nightmare, all traces of laughter were replaced by the mournful cries of a wounded heart. How in the world could Lora go on alone? Song of a Wounded Heart tells the true story of Lora ' s journey from death to hope. Unbelievably, God sang to her the night of the accident. “ Do not be afraid, ” He whispered, “ This is for my glory. ” How could that be possible? She was crushed under the enormous pain, unable to think. In the months to come, as she struggled to understand, God patiently continued to sing, drawing her gently to His side, daring her to trust Him. Lora shares her personal journal entries, including the Bible reading plan God used to speak to her and stories of people in the Bible who also struggled with faith. Join Lora in Song of a Wounded Heart as she asks God questions, deals with anger and loneliness, and chooses to believe in the goodness of God, in spite of the circumstances.

individual carols and songs; historical events at Christmastime; popular Christmas symbols; Christmas plants, place names, and stamps; and celebrations in countries around the world, including the origins of some of the most cherished traditions in the United States. Unique to this work is its emphasis on Christmas as depicted in the popular media, with entries covering literary works such as Call Me Mrs. Miracle and Silver Bells, classic television series such as Bonanza and Little House on the Prairie, motion pictures such as Arthur Christmas and Santa Clause 3, and television specials expressing holiday themes.

From the authors of the popular and bestselling Godwink series comes a new and inspiring collection of true stories about people whose lives were changed by specific and extraordinary answers to their prayers. Prayer is a universal act that anyone can participate in. Simply stated: prayer is a conversation between you and God, and oftentimes brings incredible and astonishing results. The outcomes are called “answered prayers.” Yet, with no alternative word in the English language for answered prayer, readers have begun to fill the void with Godwink, which is now making its way into dictionaries. In *The Godwink Effect*, Squire and Louise, husband and wife, make the case that Godwinks and prayer are inextricably intertwined. The first of seven secrets for more Godwinks is to pray. Moreover, when a Godwink occurs, like a pebble tossed into a pond, there are subsequent ripples that touch the lives of others. Typical of all Godwink books, this volume will be packed with amazing real-life stories about ordinary people, as well as some well-known figures, that reinforce the power of prayer in their lives and the

Still other songs such as "O Come, O Come, Emmanuel" trace back to mysterious origins--to ninth-century monks, nameless clergy, and unknown commoners of ages past. Joining hands with such modern favorites as "White Christmas" and "The Christmas Song," they are part of the legacy of inspiration, faith, tears, love, and spiritual joy that is Christmas.
