Half past twelve And I ' m watching the late show in my flat all alone How I hate to spend the evening on my own Autumn winds Blowing outside the window as I look around the room And it makes me so depressed to see the gloom There ' s not a soul out there No one to hear my prayer

Gimme! Gimme! ' is one of ABBA ' s most obvious efforts to replicate the sound of the disco movement that was sweeping the USA. As such, there are plenty of signature disco moves in Mike Watson ' s unflinching bass part that underpins the song. Forget the awful Madonna song that sampled this tune – the original is a disco-pop gem and a serious bass workout, which requires a great deal of stamina and technical accuracy to perform with any authority.
