American Government, Brief Tenth Edition, is the only brief text that offers an analytical approach, comprehensive coverage of the core concepts and major topics of American politics, and lots of pedagogical help for students.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

Now considered a classic amongst political experts, "American Public Policy" is an excellent overview of the fundamental processes and content of American public policy. Peters gives a clear exposition of the public policy environment from agenda setting to evaluation, identifying the governmental structures and procedures through which policy is designed and implemented. With characteristic flair for lucid and lively discussion, Peters examines the problems, goals, and important issues in substantive policy areas, including health care, social security and welfare, education, energy, environment, defense and law enforcement.A new chapter on social policy covering important contemporary topics such as abortion, school prayer, and gay rights enhances the currency of this accomplished review of public policy.

Examine Texas politics in historical, economic, and demographic contexts Government and Politics in the Lone Star State guides students through the historical, economic, demographic, and political environment that has made Texas government and political culture what it is. Drawing on their experiences in political science, journalism, and consulting, Tucker Gibson, Clay Robison, and new coauthor Joanne Connor Green explain Texas ' s governmental institutions, the players who influence them, and how these factors compare to those in other states. The 2014 Elections and Updates Edition has been revised to meet the outcomes instituted by the Texas education commission board, and includes updated content on the major issues in today ' s headlines to help students become informed voters and participants in Texas ' s dynamic policymaking process.

American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.

Updated in its 12th edition, Texas Government introduces the essentials of Texas government and its often colorful politics in a way that any reader can understand. With an emphasis on public policy and active learning, this popular and highly accessible text contains an abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style. Showing readers the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages readers in the course material and encourages them to become active participants in their government.
