GURPS Russia is a very beautiful sourcebook, describing a setting which is almost completely unknown to the "average" RPG player and Game Master. Inside this book you will find the details of a rich history, together with the description of very foreign, mysterious customs and beliefs, such as a forced coexistence of ancient pagan cults with Orthodox Christianity. Perhaps most important, you ...

~~Amazon.com: Customer reviews: GURPS-Russia~~

GURPS Russia is the first book in Steve Jackson Games' "Straight Line" books. These are not available in stores because the people at SJ games figured that they liked the book enough to print it, but were afraid that the audience would be too small to mass market it, so they only ran off 2,000 copies and posted advertisements all over the Net saying that you could only order these books through ...
