Rearrange the circle: Have students stand and move to the center of circle. They are to sit back down in the order of their birthdays. Toss the ball: Divide class into groups of about eight; give each group a ball. Each group forms a circle and throws the ball within the group.

The First Days of School: How to Be an Effective Teacher By Harry K. Wong

This is a solutions book that shows how to organize and structure a classroom to create a safe and positive environment for student learning and achievement to take place. It offers 50 procedures that can be applied, changed, adapted, and incorporated into any classroom management plan. Each procedure is presented with a consistent format that breaks it down and tells how to teach it and what the outcome of teaching it will be. While all of the work and preparation behind a well-managed classroom are rarely observed, the dividends are evident in a classroom that is less stressful for all and one that hums with learning.

The first year in the career of a special education teacher is filled with expectation and promise. Addressing the most common needs of
