With her low gasp and shout, Shon's attention swung to Amy, his eyes narrowing as he stared. The prince pushed his way through the throng—gentle with the women though determined—until he reached her side. Wrapping his arm around Amy's waist, he pulled her tightly against him, the hand on her hip giving a gentle squeeze.

And I loved the exotic setting and feeling of Her Desert Panther Princes. Shon and Tahvo were sexy and growly, just how you want your shifter. But I was worried when Amy was led to the harem room.

Mating isn't in their plans, but plans can shift as fast as the panther princes of Adikar. Dr. Amy Sullivan is prepared for anything when she arrives in the kingdom of Adikar... except for the two panther princes who rule their desert territories. They're the sexiest men -- human or shifter -- Amy has ever met. Together, they tempt her into a world of sinful pleasures, sultry desert nights and secret seductions. If she's not careful, she'll be added to the harem of two shifters she simply can't resist. Shon and Tahvo share everything, including women, but they've never met a female so unimpressed by their vast wealth and position in the Adikar prides. They're intrigued by the voluptuous and defiant human, and they'll stop at nothing to taste her sweet curves. When the future of the kingdom hangs in the balance, they're compelled to choose between a life of hedonistic pleasure with Amy and one in service to their subjects. They crave her in their beds, but can they also keep her in their lives?

He will protect his mate from all threats. Even her own father! Reese has his mate Jane, his pup Connor, and a healthy werewolf pack firmly under his paw. His mate only needs one more thing to be completely happy—a reunion with her father. Not so long ago, Lance went crazy and challenged Reese to a fight to the death, but Reese took mercy on the sick wolf. Now the werewolf National Circle claims Lance is healed, but Reese isn't about to risk the safety of his mate and pup. Will this family reunion end in howls of happiness, or will Reese regret sparing Lance's life?

Christmas Eve is a time of love, joy, and... getting it on with two hunky bear shifters. Tessa's life has turned into a country song—she lost her job, her roommate, and her parents have holiday plans that don't include her. At least she has her boyfriend. Until she finds him in their tent with his hands full... of another woman. One stomp-off later, she's lost in the mountain wilderness—alone, afraid, and still angry as hell. Thankfully sexy bear shifter Aaron smells her terror and insists on helping her back to his camp—there's only two problems. First, according to her scent, Tessa is Aaron's mate. Second, he's not the only one who can claim her. There's Aaron's equally sexy brother, Scott, who also wants Tessa. When an outside threat almost kills Scott, Tessa is forced to face the truth—she's just as enamored with Scott as she is with Aaron. She wants them both! Tessa has never been attracted to two men at once—and when they inform her that they've both imprinted on her, this Christmas surprise has her considering arrangements she's never imagined... This standalone holiday romance has hot territorial bear shifters, a smart heroine, and plenty of steam under the stars.

She's pregnant and he's determined to have her under his roof and in his bed...no matter the cost! Reese can't get the delectable she-wolf Jane Coleman out of his mind. They shared one passionate night on a Ft. Lauderdale beach and she disappeared by morning. He should forget her, but his wolf won't let him dismiss the memories of her silken skin, lush curves, and seductive smile. Even as he fights to keep his lands out of the hands of a rival pack, he can't suppress his constant craving for the female werewolf. The last place he expects to find the alluring stranger is at the side of his sworn enemy-her father. He should crush her father and walk away, but one sniff changes Reese's plans. Jane is pregnant with his pup and he will have them both!

“Gripping and timely.” —People “The YA debut we’re most excited for this year.” —Entertainment Weekly “A book that knocks you off your feet while dropping the kind of knowledge that’ll keep you down for the count. Prepare to BE slain.” —Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out Ready Player One meets The Hate U Give in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther–inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for “anti-white discrimination.” Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?

In this stunning sequel to Howl's Moving Castle, Diana Wynne Jones has again created a large-scale, fast-paced fantasy in which people and things are never quite what they seem. There are good and bad djinns, a genie in a bottle, wizards, witches, cats and dogs (but are they cats and dogs?), and a mysterious floating castle filled with kidnapped princesses, as well as two puzzling prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending. Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a stranger sold him a magic carpet. All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: Howl's Moving Castle Castle in the Air House of Many Ways Other beloved series from Dianna Wynne Jones include the Chronicles of Chrestomanci and the Dalemark Quartet.

Introduces young readers to the behavior of wolves through the various months of the year.

Melissa Bashardoust's Girl, Serpent, Thorn is “an alluring feminist fairy tale” (Kirkus) about a girl cursed to be poisonous to the touch and who discovers what power might lie in such a curse. There was and there was not, as all stories begin, a princess cursed to be poisonous to the touch. But for Soraya, who has lived her life hidden away, apart from her family, safe only in her gardens, it’s not just a story. As the day of her twin brother’s wedding approaches, Soraya must decide if she’s willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn’t afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. Soraya thought she knew her place in the world, but when her choices lead to consequences she never imagined, she begins to question who she is and who she is becoming...human or demon. Princess or monster.

Celebrates a forty-year history of the Pink Panther character, from the original Pink Panther movie starring Peter Sellers and the long-running animated series to the latest movie starring Steve Martin, Beyonce Knowles, and Kevin Kline.
